STANLEY SQUASH CLUB.

Stanley,  
23:11:65.

The Town Clerk,  
Stanley.

Dear Sir,

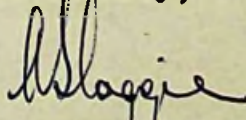

Extension of Existing Squash Court.

With reference to the plans submitted in June concerning the above we have found it necessary to make the following modifications :-

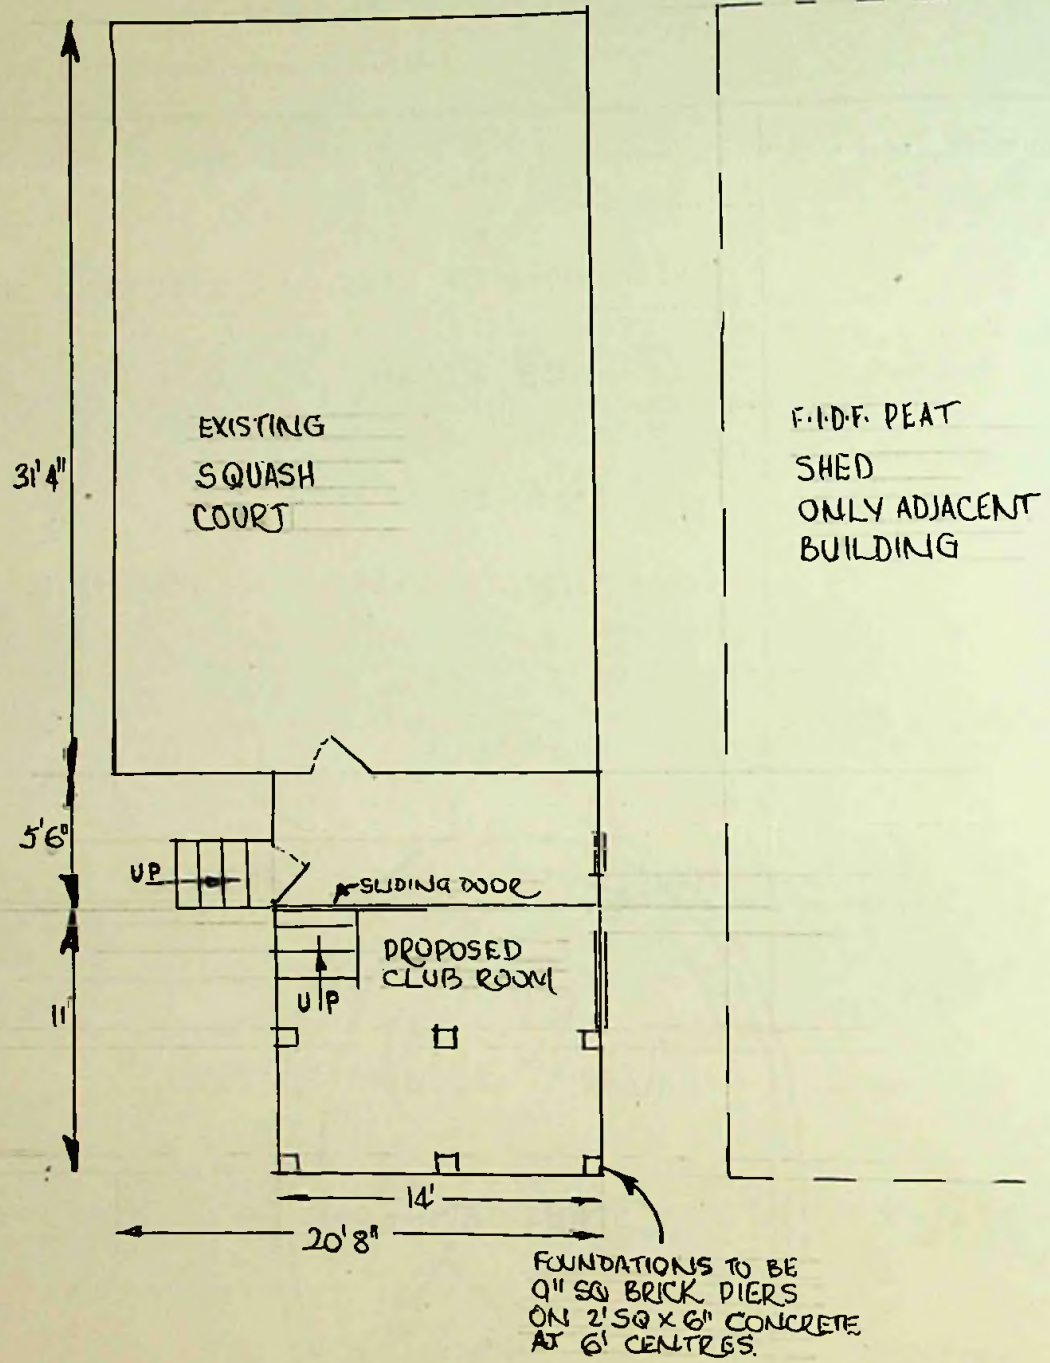

- 1) The window is now in the East wall.
- 2) Corrugated Alloy has been used for the outer cladding and roof instead of Corrugated Asbestos and C.I. sheeting as specified.
- 3) The reinforced concrete bearers could not be grouted into the existing concrete and three additional piers have been built to support the South ends of the bearers.

We shall be grateful if you will confirm that these alterations to the plans are in order.

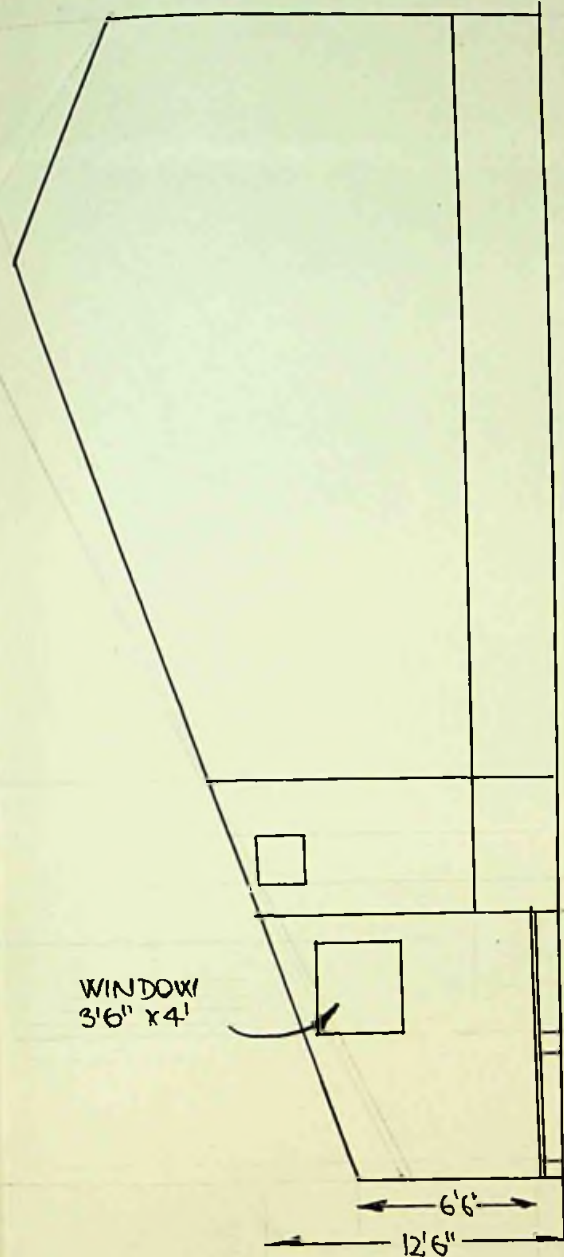

Yours faithfully,

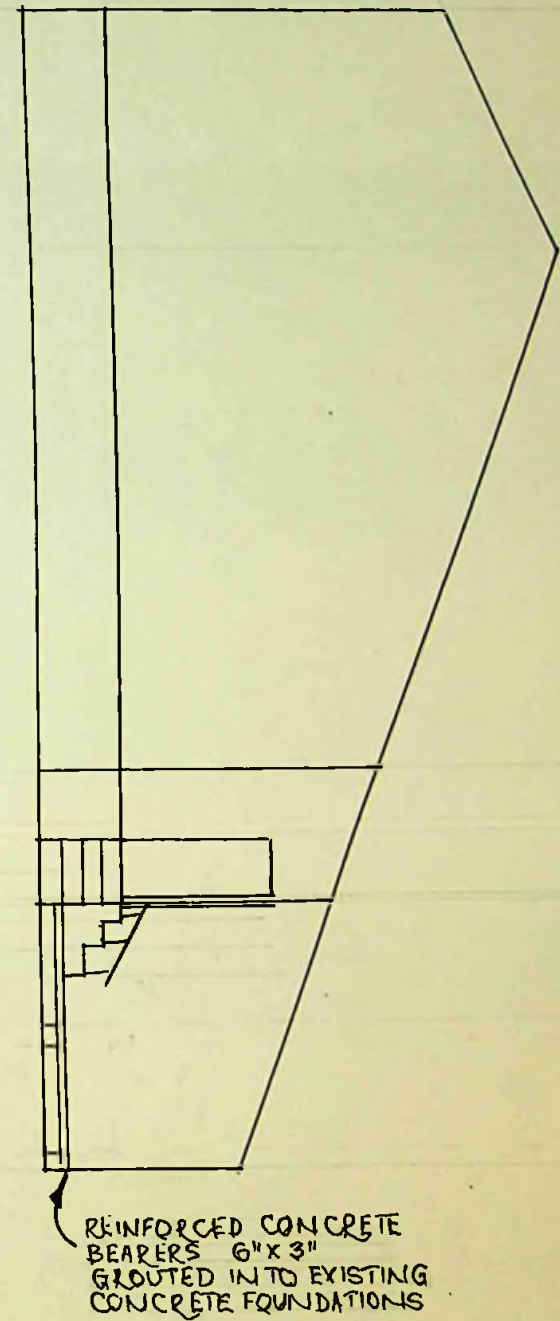

Chairman.

Our ref. C 3

Radio and Space Research Station,  
Stanley.

April 4th, 1966.

The Town Clerk,  
Stanley Town Council,  
Stanley.

Dear Sir,

Application to build houses in Stanley

I request permission to build two more houses in addition to those mentioned in my letter of 10th February last. These will also be Dorrans' bungalows and sites proposed are those originally allocated to B.A.S. but no longer required by that organisation. The positions are immediately to the west of the two bungalows now being completed by Mr. Shirtcliffe (the most westerly ones in Ross Road West). Thus they will be adjacent to and to the east of the site notified to you under item 3 of my 10th February letter.

Yours faithfully,

*Donald E. Mortimer*

D. E. MORTIMER  
Officer in Charge.

Science Research Council  
RADIO AND SPACE RESEARCH STATION  
Port Stanley,  
Falkland Islands.

Your reference:

August 9th, 1966.

Our reference: C 3

The Town Clerk,  
Town Hall,  
Stanley.

Dear Sir,

I enclose three Property Information Sheets which refer to the R. S. R. Station at the east end of town, our bungalow at 3 Brandon Road and a typical Dorran type bungalow. Of the latter, two are already occupied and two more will be handed over by the builders before the end of this week, ready for occupation by staff arriving on the next Darwin.

The remaining 3 bungalows in Racecourse Road have not yet been completed. Nor are they connected to the water supply or sewers. Only one bungalow has so far been built in Ross Road West but can not yet be occupied because the drains have not yet been completed.

I will inform you as new bungalows come into use.

Yours sincerely,

*Donald E. Mortimer*
