

(134-231)

May, 1910.

14 Saturday

Damp morning, dull
all day.

3 Beef killed, hides
done up & marked.

Shot 4 Turkeys at Ice.
Walk after tea Navy
saw Gentoo, Wigeon &
pair Swans.

FIC/OM/COB/1#4

May, 1910.

(1354230)

Sunday 15

WHIT SUNDAY.

Scotch Quarter Day.

glorious A / day.

Walked over to Sand Bay
& saw Gentoo, 31 Turkeys,
60 Teal.

Walked aft. south coast.
Candles nearly done.

(162-208)

June, 1910.

11 Saturday

S. E. snorting snow squalls.
Fell, Stanley & I cleared
manure from pig-sties to
garden.

Reewing pickled pig &
made wool mulsto.

Odd jobs off.

Cold, ground frozen.

June, 1910.

(168-202)

Sunday 12

3rd AFTER TRINITY

Calm hard frost.

Walk along S. coast morn,
saw long icycles, several
sheep on beach.

Kids sliding on frozen
ice.

Saw 3 masted ship
between Bull Point &
Driftwood at 4:30 just
getting dusk.

Rglass very high.

round ship "Inverneshire"
of Glasgow; no signs of
life on board, all sails
clewed up, davits surging
out & all boats gone, ladder
& 2 tops hanging over stern
35 to 40 fathoms water.

(164-201)

June, 1910.

13 Monday

Grand fine cold frosty
day.

Big Ship visible 8 a.m.
apparently sailing about same
place as day before.

Ditto with sails down
& heads to wind at 12 noon.

Fell & Newing fetched
20 bundles tussac morn.

Stanley & self worked at
Dip.

Cutter back from Low

Bay with Shaw's goods

1:30 p.m.

Fell, Newing & self rode
to Cassard Point to see 4
masted ship between Bull
Point & Sea Lions anchored.

Magellanes arrived

4:30 p.m. having sailed

June, 1910.

(165-200)

Tuesday 14, First Quarter, 4h. 19m. P.M.

very cold, N.E. blow
fine & sunny.

Newing's furniture
landed from Magellanes,
then C. Hansen & Shaw
went off in her to "salve"
"Invernesshire" at 11 a.m.

Just then Guendolin
passed close in going W.

at 1 p.m. "Oropesa" passed
going E.

Ward, John, Willy &
Stanley Hansen & self rode
down to view proceedings
but seeing "Magellanes"
returning lit fire thinking
it was a ship's lost boat.

I returned & lit fire on the
hill top. "Magellanes" back

4 p.m. having seen mail &
Guendolin by wreck.

J

OCTOBER, 1914.

18th after
Trinity.

Sunday 11

Fine w. blow.

Willy rode N. end
on Tostan, saw 2 dead
ewes & 1 hog down, 8 eggs.

First gachass eggs
found, 6 singles.

With Rachel morning
Jens, Pal, Lizzie "wanted
to flatten out Willy" etc.
F. settled it.

Self bed all day.

✓
OCTOBER, 1914.

Monday 12

S.W. blow, cold, hail &
rain squalls. - 1/2.

Jens at bedroom, papers
& cutting wood.

Pat went S. end on span
3 down & 3 dead hogs,
40 eggs.

Sell & Willy got up seed
potatoes & swedes, &
fence making in shed.

14 loads mould from
old Dove Cob stack to
gardens.
'Agnes' let go.

Willy rounds Hogs, no
casualties.

Self rounds Gulls on
Tostan, one down, ^{lamb} got
2 1/2 Gentoo eggs.

Jens got Hawk's nest at Clay
Bank with 2 eggs.

Young Daisy had twin
lamb at duck by our
peat stack.

OCTOBER, 1914.

5

Friday 16

Wet, N. breeze

Cutter went H. Hill
for mail, & a.m. back
3 p.m. news from G.
Parrin's death confirmed.

Self & Willy camp wool,
went out cuts aft. on
trava, one we died.

F. up all day.

Young Daisy's lamb in
house after cold wet night.

OCTOBER, 1914.

Tuesday 27

Cold, S.S.W. squalls.

Pat carted 9 loads peat
from N. end.

Jens at H. Hill buoy &
cutting hoops & punching.

Willy Hog ground on
foot, skinned 5 & 1 down.

Self walks N. end 2
dead, 1 down, ~~found~~
lamb home for Stirling
off stud ewe 5 year old
dead.

Saw big flock Sand-
pipers.

OCTOBER, 1914.

Wednesday 28

glorious day after doubt-
ful early, S. calms & E.

Pat s. end on ovaro,
2 dead far end 1 hog.
got cut mutton in.

Jeps finished hoop iron
then he & Willy got 40
bundles tussac Hall 1s.

Self N. end on mare, got
Lill home with red heifer
calf, saw 7 swans on
pond. 1 ewe dead! down.

1915 / JUNE, 1914.

Thursday 24

v. cold s. snow squalls
on & off, drifts. 5 degrees
frost in porch. 32 drawing
room with fire on. 8 a.m.

H. finished wood churn.

Jens painting hall fittings.

Willy & self delighted fire-
wood from old Dip.

JUNE, 1914. 1915

Friday 26

v. cold S. snowsqualls.

Jens painting shirts &
mouldings & E.C.

H. sharpened saws &
packed his tools.

Developed photos &
photos. ice on sea
stretching out beyond
jetty.

JUNE, 1914: ~~7/15~~

✓ Saturday 27

w. to N. W. cold show,
rain evening.

Cutter went H. Hill with
Lizzie & Hammaford, &
fetched Mrs H Swell
back & mail letters.

~~Self shated N. end
flat, F. & Willy coming
over too H. a.m. 12.30.
painting scullery aft.~~

~~Sea frozen round jetty
almost standable on,
Pat broke it for dinghy
to get off, 2 or 3 in thick.~~

JUNE, 1914. 15

3rd after
Trinity.

Sunday ~~28~~ 27

Fine. N. N. W. thaw.

Pal & Willy rode S. end
on mare & Tostan
but Pal failed to get
across to Driftwood in
pram.

Self put rams out of
paddock out as far
as Penguin Hill.

J

1921 / JANUARY, 1918.

Tuesday 8

glass rising after
tremendous blow &
squalls, fine most
day but WIND
S. W. to W. S. W.

Camp wood & shirts,
seal oil 2 gals from
blubber of old seal,
grease put out to boil.

Hood up some of potatoes
2nd time, blackberries a
good bit, also carrots
& parsnips.

JANUARY, 1918.

Wednesday 9

w. breeze finer,
squall aft.
12 bundles tussac 1st idol
grease.

Self got horses in & 1
rough wether & shored it.

Fred N. end 5 fleecest
saw 7 more roughies.

Jeff & Jack S. end 7 ewes
in Centre shorn & 24
roughies driven up at
5.45 p. m., & saw more.

Put rough sheep in shed

Mr S. & self cleaning up
wool in pens.

119

JANUARY, 1918.

Thursday 10

Fine, S.W., W. nearly
calm morning.

24 Driftwood sheep
shown before breakfast,
crow got in.

3 men rode S. end &
got 1 skin, 7 fleeces
7 rough sheep & a lamb
driven up.

Self had skins out to
dry.

Went 3rd Island with F.

& Mr S. & saw Seal with

2 pairs twins 1 quite well
pups others last year's.

Out again afternoon &
photod pups, but others

away or in tussac, saw
lion but not mother.

OK

JANUARY, 1918.

Friday 14th

glorious A1 day, calm
hot sun.

8 sheep shorn in shed
1 hog, 5 wethers & 2 ewes
3 lambs marked.

Fred enlarging Manure
Pit.

Jeff & Jack shore 10
ewes & 1 wether N. end
& got heat & water on
cutter.

Self Halt 1/2 with F. & M.
S. who invited with me &
padding, home about 3.

Thermometer up to 120^{over}
in sun outside after
4 p.m. over time of 3 p.m.
sun time, rising from 68
in hall when taken out.

JANUARY, 1918.

Friday 18

Wind. E. N. E. till 1 p.m.
then N. W. to S. W. &
glorious aft.

Fiff fit, but guaranteed
rain by 10 a.m. & a
probable ~~all~~ ~~out~~ ~~some~~

JANUARY, 1918.

Saturday 19
Fine, N.E., cool, to N.E.

Your name must be registered before any claim can be
recognised under the Insurance Coupon.

8 aft, S.W. 8 S.S.W. Sun
108 outside in garden 3-30.

Free out 50 to heat.

JANUARY, 1918.

Saturday 26

Fine morning N. W.

got 40 wethers rough on
board by 9¹⁰ a.m., got
under weigh by 10:10 a.m.
for Bleaker, then
calms & easterly air;

finally N., thunder &
rain to S. E. & deluge

got Bleaker 6 p.m. &
sheep ashore 7:30 p.m.
& self put them Hunters
Boys.

Thunder & down.
pours evening & night.

JANUARY, 1918.

Septua-
gesima. Sunday 27 °

Few squalls S.W. mostly.

Big flood in gardens,
bridge washed away
into long garden.

"Hester's nearly drowned
in kennel", I don't think.

All Jeff's garden ruined
I don't think.

Worst flood on record ^(any time)
I know. 4

Feb
JANUARY, 1918.

Wednesday ~~30~~ 2²

Wet N. W. rain steady
down pour till noon
then S. W. blow, glass
28.2.

Jeff off after brekkes

∴ "cook laid up with the
cold"; others turning up
at 9 a. m. from brekkes.

Fred having turned to 6.30,
Jeff 6.20 & Jack 6.15.

Camp wood & shirts
Fred fixed buttons my
mules & cart harness.

Feb
~~JAN~~UARY, 1918.

Cold Thursday 31 N.W.-S.W.
W. rain squalls on off

Camp wool & shirts.

Put 4 cwt shirts in box
& weighed 2 bags locks
@ 5 cwt.

MAY, 1918.

Wednesday 8

E. rotten winter day
ground white, frozen &
drifting, squalls on & off.

Men turned to, but too cold
to do anything, so no work
after breakfast except
Fred milked cows & fed
calves & emptied ashes.

Thermometer 35 in hall
most day, v. cold.

59

MAY, 1918.

Ascension
Day. Thursday 9

Cold, but not much wind
E., to N. aft. slight thaw.

~~Began turn to~~
Wood landed from Bee.

George new stove pipe
on Bee.

Fred killed 3 wethers
mutton.

Jeff & Jack cleaned up
cutter & got 20 bundles
tussac.

60

MAY, 1918.

Friday 13th.

Cruel weather S.E. & calm
to S. to E.N.E snowing
steady most day, deepest
snow for years, no drift
before noon then drifting
a bit.

over knee boots going to
shed.

Fred milked cows.

Began turn to after
break.

MAY, 1918.

Saturday 11th

S. E, N, W. to S. W. & S.
fine mostly, few scads
snow & sleet, glass up.
thawing till late aft,
then frost.

Fred milked cows & odd
jobs for Lena.

Jack cutter clearing
snow & cut 2 bundles straw.

Jeff & George Hog ground
& found 4 lambs in
ditch dead & 1 alive.

Self walk N. end, no
casualties & odd jobs.

21

JUNE, 1918.

Thursday 16

S. S. W., S. no. thaw,
few dry snow squalls
& snow drifting before
the wind, sunny inter-
vals.

Shot geese, began
w. upstairs chimney
casing.

JUNE, 1918.

Friday 17

N. N. E. breeze all day,
fine, except snow or two
rain & snow 12-2.
dull mostly, sea
frozen out beyond
jetty a good way,
slight thaw.

(8)

Exc anchored 11 p.m.
having come from
Robson's Fitzroy,
where she had been
hung up since Saturday
11th.
Geo. Hansen ashore, but
unable to reach jetty
because of ice, left boat
between jetty & crates.

JUNE, 1918.

Saturday 18

E.S.E. slight thaw.

Jack & Fred came ashore
about 9.30 a.m.
no work.

JUNE, 1918.

3rd after
Trinity.

Sunday 19th

glorious day, s. & calms
to w. & v. n. w.
slight thaw, hot sun
mid day.

Walk peat bog & 2nd
island streams, 1 den
in ditch peat bog.

Snow over 1 yard deep
on beach & nearly 2 yds
deep in peat banks
drifted.

uel

Rat's head in matchbox
given to Mary to show
to Lena at getting up
time. Result tears &
wrath.

Self grease.

SEPTEMBER, 1918.

Wednesday

Fine N.W. blow, sun,
hard frost early & in
shade all day.

Self turpae planting
Parson G's paddock.

Box back 4 p.m. with
15 ewes from S. Sister
& Ortega mail.

Anchor at H. Hill fished
up yesterday.

Spring cleaning

SEPTEMBER, 1918.

Thursday 15

N.W. BLOW. dull,
rain aft. about 4 p.m.

Jack cleaning skins.

Others odd jobs shed,
Sarah's bottom boards,
dibbers, etc.

Self swept our bedroom
chimney & set skins.

Spring cleaning.

Crowds jacks seen
Fish Bay as if just
arrived from sea.

W.H.

SEPTEMBER, 1918.

Friday 19th

Glorious day S.S.W. to W.

Fred Hoy and Ovaro
morning collected 32
shins on big point &
fetched home 7.

after tea he got home
shins in pram from
fence & off. 1st island.

Rest tussock planting
Parson J's paddock.

Fred saw 3 jackasses
Hoy and, we saw 1 in
Parson J's in hole
half full water.

SEPTEMBER, 1918.

Saturday ~~14~~ 17^d

N. W. BLOW. fine
morning, little rain
aft.

Drawingroom carpet
beaten before breakfast
Fred & Mary.

all planted tussac
Parson g's after breakfast
to dinner.

SEPTEMBER, 1918.

Saturday 21

S. E. cold. fine.

Fred got stones for
drain.
others skins in shed.

Self rode S. and back
more, saw no eggs.

42

SEPTEMBER, 1918.

17th after
Trinity. Sunday 22

~~S.E. cold, snow squalls
at times.~~

3 men sailed Halt &
3 ^{islands} in Pup
only got 7 eggs Logger.

girls got 7 Loggerhead
eggs N. end aft. 43

SEPTEMBER, 1918.

Monday 23

S. S. W. to W, & N. W. fine
except sheet scads morn.

Boce left 8 a.m. 3 men
for S. end (wood) &
H. Hill mail, wind
changed & she went H.
Hill.

-Self planted onions,
at grease & ride
N. end after tea Black
mare, 2 ewes down
1 " dead,
found Loggerhead nest
7 eggs sat on a bit.

Charlie sat down in
jackass hole. 56

SEPTEMBER, 1918.

Tuesday 24

Fine N. W. to S. W. & W.

Boce got back 3 p.m.
after calling Adventure
Island with small
mail.

Self S. end 'Ovare'
1 down far ground

1 dead " "

1 " Centre "

no eggs.

Old Charlie Hansen
came for prossiads.

56

SEPTEMBER, 1918.

Wednesday 28th

Rochies 300? eggs.

WEDNESDAY, FEBRUARY 4, 1920

Left 4 a.m., in "Eve"
fog, cleared about
N. point, calmed fast
matters, saw 3
saw *F. albicollis* pass
1 a.m.

THURSDAY, FEBRUARY 5, 1920

N. N. E. breeze, wind
not lay course,
blown off S. S. E. of
light house, ate
most good, rotten.

FRIDAY, FEBRUARY 6, 1920.

Saw Light house
daylight, but could
not fetch it, N., headed
for Fitzroy raining &
thick, then for Port
Harriet, blew hard so
passed Port Harriet &
rounded Light Ho 2 p.m.
awful ~~brave~~ S.W. soon
after drove us up
Berkeley Sound, then back
& up to Stanley 10.30 p.m.
Dartmouth dance on
very hungry, went to
Davis' & Hamilton gave
me supper, very thank
ful to get in. Worst
weather ever out in. c

SATURDAY, FEBRUARY 7, 1920

Went stay Houston.

Captain Splatt of
Quendes came too.

MONDAY, MARCH 1, 1920

S. David's Day

N. E., N. N. E.

Left Lively 9:30 a.m. —
calm early & got home
4 p.m. fine trip.

Found anxious about us.

Rica had filled up
manure pit, Mary
~~cleaned pen.~~ & F. done
a lot of sewing.

N.E., E, N.

Pressed 7 bales wool
& got things ashore
from "See".

F. drowned pupae in

THURSDAY, MARCH 11, 1920

glorious day. E
8 calm.

Lost gold specs
overboard.

Finished shearing

92, 8 shipped over
30 more by dark.

FRIDAY, MARCH 12, 1920

E. blow of rain -
finished last
bead

SATURDAY, MARCH 13, 1920

Got Home. 12.30

wind E. S. E.

goose & coffee only.

SUNDAY, MARCH 14, 1920

4th in Lent

Paching

MONDAY, MARCH 29, 1920

To Stanley in Samson
8 - 4.30 p. m.

TUESDAY, MARCH 30, 1920

TUESDAY, APRIL 20, 1920

Went V. Allaman
with F. to Hobbly's
school, St Peter's, had
lunch & tea there &
grapes ad lib, sat
under trees, saw hum-
ing birds, grape
fruit
notes

WEDNESDAY, APRIL 21, 1920

Self ashore & hunted
for Museum, warned
not to go too far as it
was rough place.

Hunted all morning
out found only dirt &
dirty people & Inak +
Told lat

pris

THURSDAY, APRIL 22, 1920

at sea after leaving
early.

FRIDAY, APRIL 23, 1920

S. George's Day

Arrived Tattal noon.

Ashore aft. with Higsons
asked for A. J. Polloch &
found W. H. Polloch
manager Lautaro Nitrate
Co. with Chilean wife.

~~Had tea at his house & he
showed us round, saw
nitrate ready to ship
etc.~~

Pollochs came dinner
on board with us.

Sharks in harbour.

Left early & arrived
Antofagasta noon.

Ashore aft. with
Higson in Medlans
launch, went telephone
exchange & tea with the
manager.

~~Quantities seals in
harbour & pelicans~~

SUNDAY, APRIL 25, 1920

3rd after Easter S. Mark, Evan..

Arrived Meihillones
about 1 p.m. leaving
Antofagasta early.

MONDAY, APRIL 26, 1920

Loading Nitrate.

TUESDAY, APRIL 27, 1920

Nitrate loading.

Ashore morning
shops with J, J. J. Felton
Bush & Higson.

out in motor launch
aft. millions shags
pelicans, gannets
etc.

WEDNESDAY, APRIL 28, 1920

Loading nitrate.

F., Gerard & Self out
in lifeboat 11 - 5 p.m.
trying photograph
pelicans, gannets etc.
Saw thousands
just ~~for~~ a lot
when German sailing
boat scared them and
got on various lighters
but only got 2 snaps
at a distance. Shells in
lighter near "Liffey".

THURSDAY, APRIL 29, 1920

Left Michillonos
early morning,
arrived Iquique 3 p.m.
Went ashore at once
with Gerard & missed
saying good bye to
Bushes, Buches & Rev.
Jeffers.

Left night.

FRIDAY, APRIL 30, 1920

arrived Arica early
& went ashore Higsons.
Photod Molo from
corner by church, from
gardens with trees &
beautiful flowers & (3)
from Mole.

~~Prodyer saw *Sachar*
Pinguin.~~

SATURDAY, MAY 1, 1920

SS, Philip & James

Arrived Mollendo
early. Ashore with
Gerard & Higson after
breakfast, hauled up in
chair by steam crane
onto landing mole out of
launch. We only part
1st class passengers ashore.

Higsons aft. breakfast.
Tram to Lima (9 miles
25 min) saw maize etc.
Kodak shop, drive taxi
in Lima, lunch café, zoo
where separated. We & Gerard
cab to
Powell's

TUESDAY, MAY 4, 1920

Left Callao 2 p.m.
after inspection by
yankee doctor for Panama
& coaling finished
watering.

Fog evening.

~~Two of Peruvian ships
at Callao + 2 sub-
marines = fleet.~~

Animals in zoo mostly
mouldy, diseased looking
scabby, etc.

WEDNESDAY, MAY 5, 1920

at sea. all the life

SATURDAY, MAY 8, 1920

Got to Panama
evening just after
dinner
Hot night.

SUNDAY, MAY 9, 1920

Rogation Sunday Doctor inspection

7-8 a.m. farce again.

Left 10 a.m. & got through last locks of Panama canal about 7.30 p.m. & to wharf at Christobal about 8 p.m.

where cooling began at once. Hades of a show right through ~~1 party~~ intermediate sun ~~stroke~~

Tried to get photos, but did not get much, 3 plates? wasted. Up forward with forward part morning. I saw gates close behind from stern. Scenery very poor, not beautiful.

MONDAY, MAY 10, 1920

Coaling hedges all night,
port open though.

Some ashore early, some
after brekker. Lady in
jerards alley died heat,
miggs dropped in faint
on lower deck & Christian
Scientist lady fainted on
orange diet.

Left the loathesome
hole lunch time. never
to return & hope.

TUESDAY, MAY 11, 1920

at sea, N.E. trades
good sea after awful
night.

Run 256 miles.

THURSDAY, NOVEMBER 4, 1920

glorious day calm to N.W.

from 1st to 10th.

J. N. end of terrace

J. S.

Self up & out in
garden short time.

'gleam' sighted ~~again~~
round valleys.

FRIDAY NOVEMBER 5, 1920

N. W. Blow

Crew of "gleam" turned
up at Bundes 12 a.m. &
said they were wrecked
having caught on reef
10.30 p.m.

They then went off at
5 p.m. & ~~took 12 west to get~~
on board! 5 or 6 flowers
in her.

wind down & w. evening

SATURDAY, NOVEMBER 6, 1920

Men went over to boat
but did no more.

Left more Penguin
#1000 & L. by V.?
