ABSTRACT
OF THE
NET REVENUE AND EXPENDITURE
OF
FOR THE YEAR
1883

Insert under general heads the Receipts and Disbursements, so as to exhibit distinctly and separately the Sources from which the Receipts have been derived; on the one hand, whether from the Resources of the Colony, from Parliamentary Grants, or from Her Majesty's Treasury; and, on the other, the Total Expense incurred by each Department of the Government; distinguishing the Ordinary Established Charge of the several Offices from their Contingent and Accidental Expenses.

Such observations as may be sufficient to explain the causes, and point to the remedy of any deficiency in the Revenue, or excess of the Expenditure, must form the subject of a Special Report to accompany the Blue Book when transmitted to the Secretary of State.
