OF

*Falkland Islands.*

FOR THE YEAR

1893.

Insert the several Establishments of Government, arranged according to the classification in the Estimates, including every individual employed, with all the particulars specified in the several columns of the Return relative to the nature of their Duties, their Emoluments, Length of Service, &c.

Insert on the next leaf an Alphabetical List of all the Officers, and the Page in which their Office is described.

Under "Remarks" should be explained the nature of the duties performed by those Officers the designation of whose Office does not sufficiently explain the functions attached to them. *1891. Mon Gen*

The names of permanent holders of offices alone are to be inserted in the columns. If an office has been filled during the year, or any portion of it, by an acting officer, the fact may be noted in the space for "Remarks."

Stanley,  
9th February, 1894.

Sir,

I have the honour to transmit herewith, for submission to His Excellency, the Balance Sheet of the Savings Bank for the period 1st October 1892, to 30th September, 1893.

The following is a statement of the transactions of the Bank since its establishment on 1st April, 1888, to 30th September, 1893.

Year.	Accounts opened.	Accounts closed.	Number of Deposits.	Number of Withdrawals.	Amount of Deposits with accrued interest.			Amount of Withdrawals.

The result of the establishment of the Bank therefore shows that there are 220 Depositors with a balance of £30,073 7 4, or an average of £136 13 10, standing to the credit of each account.

Computing the population of the Colony at 1890 the average savings per head is £16 14 1/4, an increase of £2 16 11 3/4 over last year.

The Depositors have been credited with £633 14 8 in interest during the year, being £77 14 2 in excess of that credited last year, while the balance of deposits over withdrawals is £4,499 3 3 as against £2,756 16 1 at the end of the previous year.

The Investments on account of the Bank are in English Consols and Colonial Inscribed Stock, bearing interest at the rates of 3 3/4 and 4 per centum. On the 30th September, 1893, they stood thus:—

Consols	£3199	1	3
Inscribed Stock	£22,200	3	8
Uninvested	£4674	2	5

Since the above date, however, a further sum of £1800 was in transit for Investment on account of the Bank.

The income earned by the Bank has been £675 16 9, and the expenses incurred £637 18 8, leaving a profit of £37 18 1. No charge for management has been debited against the Bank, nor has any allowance been credited to it for the uninvested balance.

I have, &c,

CHARLES W. HILL,  
Acting Treasurer.

The Honourable  
The Acting Colonial Secretary,
