FOR THE YEAR

191₅

Insert the several Establishments of Government, arranged according to the classification in the Estimates, including every individual employed, with all the particulars specified in the several columns of the Return relative to the nature of their Duties, their Emoluments, Length of Service, &c. It is important that the full Christian Names should in every case be given.

Insert on the next leaf an Alphabetical List of all the Officers, and the Page in which their Office is described.

Under "Remarks" should be explained the nature of the duties performed by those Officers the designation of whose Office does not sufficiently explain the functions attached to them.

The names of permanent holders of offices alone are to be inserted in the columns. If an office has been filled during the year, or any portion of it, by an acting officer, the fact may be noted in the space for "Remarks."

Improvements in Agriculture and Manufactures introduced this Year.

The Falkland Islands Company Limited's Canning Factory at Goose Green endeavoured with fair success to purchase all surplus live sheep for canning.

Prices offered for sheep at the works were,

2½d. per lb. over 40 lbs

1½d. per lb. from 40 to 45 lbs

3s.6d. per head under 40 lbs

Progress of any Improvements previously reported.

More land (previously of practically no value) has been brought under cultivation; hay has been grown to a greater extent than before, and the quantity of oats grown (to be cut green) has increased; in one case this has been made into ensilage. Tussac has been planted on several farms and has done very well, many poor points and rincons being turned into good feeding grounds.
