4th August, 61.

Gentlemen,

153 in
0270/P/IV

I have to refer to paragraph 2 of your letter S6/INS/Falkland Is/O1 of the 7th February 1961, regarding the need for evidence that the intention of a prospective air passenger, is to insure, before a flight is made, by the completion of a coupon or some such written evidence, and to inform you that in practice this would be impracticable. However the following short notice in connection with flight bookings has been issued and it is proposed to issue it at regular intervals.

"An insurance premium of 4/-d is payable by the passenger except in the case of children under one year of age"

Consequently everybody who books a flight should realise that he or she is being insured.

2. Would the Alliance Company consider this as sufficient?

I am,
Gentlemen,
Your obedient servant,

(Sgd.) D.R. Morrison

Sir,

8 With reference to your letter 0270/CC of the 4th August,
it is evident that all passengers are required by regulation to
be insured under your policy and that premiums are collected
when the passages are paid for. In these circumstances, of course,
all passengers are covered automatically and the entry in the
Flight Register should be regarded as fulfilling the requirement
to register the intention of a passenger to insure.

I am, Sir,

Your obedient servant,

Dear Sir,

Passenger Flight Insurance.

120. We acknowledge receipt of your letter Reference
0270/CC of the 25th September regarding payment of
insurance premiums and have to inform you that the
increased payment of £8.0s.0d. is accounted for as
follows:-

FLIGHT NO.2700

Premium as shown on Schedule	£6.0s.0d.	Correct total of Premiums payable.	£7.12s.0d.
		<u>Difference</u>	<u>£1.12s.0d.</u>

FLIGHT NO.2712

Premium as shown on Schedule.	£1.12s.0d.	Correct premium payable	£8.0s.0d.
		<u>Difference</u>	<u>£6.8s.0d.</u>
		<u>Total Differences</u>	<u>£8.0s.0d.</u>

We trust that our action in paying the additional
amount meets with your approval and we ask you to accept
our apologies for not informing you of the recalculated
premiums in this instance.

In reply to your letter of the 3rd September
regarding the signing of Passenger Flight Coupons, we
advise that after some discussion we have agreed that
each person who regularly makes flights on Government
business shall complete a declaration form covering all
flights made in a period of, say, one to three years
and that the draft form submitted by you would be quite
in order.

This arrangement would in no way affect the
usual flight returns submitted and the form would only
be produced in the event of some disaster necessitating
a claim.

Yours faithfully,

[Signature]

Dear Sirs,

Passenger Flight Insurance

123a

Please refer to your letter S/244/2/3 of 19th October, 1965.

On the face of the information provided regarding Flights 2700 and 2712 the corrections made are correct. I am advised, however, that the errors are not in the calculation of the premiums but in the classification of the premiums. Thus, in Flight No. 2700, the + against the line commencing 'J.Allan' should not be there, and in Flight No. 2712 the ++ against the line commencing 'Mr. & Mrs Biggs' should not be there.

I am sorry that these errors were not detected before the schedules were passed to you.

Yours faithfully,

COLONIAL TREASURER.
