Application to hire Town Hall for Flower Show.

Reference
Numbers.

The Hon. Col. Secy.,

Application from the Committee of the Stanley Flower Show for the use of the Town Hall for period 3rd to 10th March submitted herewith.

2. Last year not only was the material supplied by the Government but also the labour required for the erection of the stalls, tables etc.

In the event of approval being granted to proceed with this work I would suggest that the cost of labour be charged either to the Committee of the Flower Show or under XVI. P.W.D. (b) 3, Casual Labour.

Stanley,
28th February, 1924.

Sir,

I am directed by the Committee of the Stanley Flower Show and Industrial Exhibition to apply for the use of the first floor of the Town Hall, from Monday the 3rd to Monday the 10th of March, for the purpose of holding the Exhibition.

2. The Exhibition will be held on the 7th and 8th but the Hall will be required earlier than the 7th to prepare the stalls etc.

3. In view of the fact that the Exhibition is purely a public affair, I am directed to enquire whether the use of the first floor may be granted free of charge.

4. The Committee would be pleased if arrangements could be made for your department to supply the material necessary for the erection of the stalls, etc., as was done last year.

I have the honour to be,

Sir,

Your obedient servant,

A. J. Hensel

Joint Hon. Secretary.

The Colonial Engineer,
Stanley.
