## About the play.

Bernard is a young entrepreneur who has a comfortable flat near Orly Airport in Paris, France. He is looked after by Bertha, his maid, who dispenses coffee and motherly advice while coping with the problems his love life creates.

In addition to his job, Bernard constantly juggles with the affections of not one, but three fiancées!

Organisation is the key to his success, but 'the path of true love never runs smooth', and when his old friend, Robert, arrives unexpectedly and airline timetables and schedules go awry, there is the setting for a rather interesting play.

**We hope you enjoy the performance!**

PRODUCER  
Norman Black

A Gemini, Norman's favourite colour is blue, and his favourite foods are fish'n'chips and trifle. When asked why Linda Gray is his favourite personality, he confesses he is crazy about her!

He enjoys playing golf, the theatre, and music - "anything with a nice tune."

Performing in Gilbert and Sullivan has enabled Norman to combine his hobbies of theatre and music; his favourite role in Gilbert and Sullivan having been 'Frederick' in 'The Pirates of Penzance'. Some of his roles have been 'Bluebottle' and 'Colonel Bludnok' in 'The Goons', 'Hamlet' in 'Hamlet', 'Puck' in 'A Midsummer Night's Dream', and 'Alfredo' in 'Die Fleidermaus'.

PRODUCTION SECRETARY - Jan Honeyman

Jan's star sign is Leo, her favourite colour is purple, and her favourite dish is seafood with salad.

She chooses Neil Diamond as her favourite personality, enjoying his music either to dance to or to relax with. Dancing (all kinds), theatre and art are her hobbies - "The one I like best is the one I'm doing at the time", she explains.

Although Production Secretary is her first involvement with F.I.O.D.A., she was on stage in the Falklands at the age of nine when she played the Angel Gabriel in a Nativity Play.

Previous experience includes producing, lighting and running theatrical workshops as well as acting and dancing. Favourite roles - Meg, in 'The Hostage', Enid in 'The Golden Pathway Annual', a Kit Kat Club dancer in 'Cabaret', and leader of the Women's Chorus in 'Lysistrata'. Favourite quotation is from Meg in 'The Hostage':- "Is that what they call it nowadays?".

BERNARD played by David Hall

Born under Taurus, David's favourite hobbies are swimming and air hostesses! As 'Bernard' perhaps he ought to add 'juggling with airline timetables!'.  
In real life David is quite uxorious, stating that his favourite personality is his wife's - "because she told me so!"

He enjoys cooking and eating Chinese food; his favourite colour is blue, and his favourite quotation:- "I'll do the dishes, darling!" (Marilyn Hall).

His last role was in 'Dick Wittington', as Leader of the Fox Bay Guards.

ROBERT played by Fraser Wallace

Born under the sign of Aries, Fraser says his favourite colour is azure (watch the show to find out why)! He likes to eat Italian food and anything fattening!

Favourite personality is Spike Milligan (who shares the same birthday and is half mad!). Preferred pastime is studying the habits of the Dodo species -- not very time consuming here in the Falklands.

Previous stage experience includes roles in 'The Veldt' and 'A Man for All Seasons' in Montevideo. In the Falklands Fraser has appeared in 'When We Are Married' which fits in well with his current role.

Favourite quotation is "The only way to combat temptation is to succumb".

BERTHA played by Jane Parry

A Leo, Jane's favourite personality is John Thaw. "I'd love the opportunity to inspect his Morse!", Jane explains.

Jane enjoys swimming, badminton, netball, squash and calligraphy. Her favourite colours are pink and green. No wonder she disapproves of Janet's taste in food; Jane herself prefers to eat a yoghurt and cheese!

'Bertha' is Jane's first acting role.

JANET played by Rhona Carryer

Gemini is Rhoda's star sign. Like Fraser, she enjoys Italian food, naming Spaghetti Bolognese and garlic as her favourites - not pancakes and molasses!

Her favourite personalities are her children because "they can be naughty and get away with it". Is this why she is attracted to 'Bernard', whom she sees as a "kid at heart?".

Favourite colour is cerise, and her favourite pastime is lazing around with a good book and a bottle of wine.

Rhona has acted in "Bishops and the Candle sticks", "Charley's Aunt", and "Hobson's Choice". Her favourite quotation is:- "Life's a bitch and then you die!".

JACQUELINE played by Melody King

A Capricorn, Melody says her favourite colour is light blue. Her favourite foods are chocolate and chips, but she keeps her chic figure by dancing, which is a favourite hobby, along with playing guitar and keyboards.

Her mother is her favourite personality.

Most memorable previous role was Alice in 'Alice in Wonderland'.

Her favourite quotation:- "To be, or not to be - that is me".

JUDITH played by Carol Kelley

Born under Virgo, Carol's favourite personality is Cher - "I want to look like her - now!"

Chicken Kiev, not sauertraut, is her favourite food, and purple is her favourite colour.

Learning her lines and practising her German accent have left Carol little time in recent weeks for her hobbies, which are dancing, reading and horse riding.

Carol has been on stage in the chorus of the pantomime 'Dick Wittington'.
