Welcome everybody to *Robin of Stanley* – the true story. Many people think that Robin was from Nottingham, but not many know that he lived for a while on the Camber, just North of Stanley.

This pantomime is set in the time of Richard the Lionheart who lived hundreds of years ago.

It was eleven 47 when Richard was crowned King and by lunchtime he has set off to the Holy Land on a package deal organised by the Holy Roman Emperor and I.T.T.

Chorus

*Robin Hood, Robin Hood,
Riding through the glen,
Robin Hood, Robin Hood,
With his band of men,
Feared by the bad, loved by the good,
Robin Hood! Robin Hood! Robin Hood!*

Verse

*He called the greatest archers
To a tavern on the green,
They vowed to help the people of the king,
They handled all the trouble
On the Falkland country scene,
And still found plenty of time to sing.*
