Sir,

I have the honour to transmit for Your Excellency's information a copy/copies of the approximate programme of the forthcoming cruise of the Commodore Commanding the South American Division of the America and West Indies Squadron in H.M.S. *Durban*.

2. The proposed visits to foreign ports which are included in this programme are subject to the approval of the foreign governments concerned, who have been notified.

3. It is proposed that these visits should be of an informal nature and it is hoped that the local officials and residents will not feel themselves called upon to incur expense by entertaining.

For the same reason any entertainment offered by H.M.S. *Durban* will be on quite a small scale.

I have the honour to be,
Sir,

Your Excellency's obedient Servant,

Colonial Secretary of the Falkland Islands,

Sir:

On arrival of H.M.S. "DURBAN" in this port a few days ago we believed that she was on her way to visit the Falkland Islands and South Georgia and we therefore applied to the British Consulate General of this city for permission to forward by her some mails addressed to our whaling station at Grytviken.-

The Consulate General informed us that H.M.S. "DURBAN" was not proceeding to South Georgia but asked us whether we would have the mails sent to Port Stanley.- Not knowing if there would be any opportunity of forwarding the mails to South Georgia we took the liberty to telegraph you in the matter and we are obliged for your reply from which we see however that no such opportunity is anticipated in the near future, and we are therefore not sending the mails but waiting for some other ship.

We beg to thank you for your kind attention in the matter, and are, Sir,

Yours respectfully

6th January, 1932.

FALKLAND ISLANDS.

No. 13.

Sir,

I have the honour to report that H.M.S. "Dauntless" visited the Colony from the 30th of November to the 27th of December, 1931, and H.M.S. "Durban" from the 17th of December, 1931, to the 2nd of January, 1932. H.M.S. "Durban" carried Commodore (Second Class) R. E. O. Lane-Poole, C.B.E., flying his broad pennant as in command of the South American Division of the America and West Indies Squadron.

2. I have nothing of special importance to bring to your notice in connection with these visits. I have, however, to acknowledge the keen interest shown both by Commodore Lane-Poole and by Captain J. C. P. Vivian, in command of H.M.S. "Dauntless", in all matters concerning the well-being of the Colony, and to express the sincere gratitude of the people of Stanley and of holiday-makers from the "Camp" for the many entertainments offered by the officers and men of the two ships for the enjoyment of themselves and of their children.

3. Occasion was taken also to enter in detail into the question of local defence as to which I shall be addressing you in a separate despatch.

4. I annex copies of telegrams exchanged on the arrival and departure of the ships.

I have the honour to be,

Sir,

Your most obedient
humble servant,
