COLONIAL ENGINEER.

THE COLONIAL SECRETARY,

Stanley, Falkland Islands.

With reference to phone message received to-day, that the
lamp on the Dockyard/^{Jetty}is to be kept alight all night during the
visit of H.M.S. Durban, I submit that this is a question for the
Harbour Master's Dept to deal with. The Government launch
attendants who are always in the vicinity could give an eye to this
instead of telling off a special man and paying him overtime from
this Dept.
