Falkland Islands Volunteer Force,
Headquarters,
Stanley.

10 December 1915.

Dear Mr. Hopley,

On behalf of the Force I beg to thank you and through you, the subscribers, for the kind thoughts which have prompted the offer of a Challenge Cup for competition amongst Members of the Force in commemoration of the Battle of the Falkland Islands, and the stirring events of the past year. I trust the competition will be keenly contested for many a year to come.

In accordance with what I understood to be your wishes the first competition was held on the 8th instant under conditions as nearly approaching those of active service as could be arranged. Rifles were used, as issued, and the contest was—
5 rounds at 300 yards, from cover, target exposed for 6 secs.,
5 rounds at 500 yards, lying, with time limit of 1½ minutes,
5 rounds at 500 yards, lying, with time limit of 30 seconds, rapid firing.

There were 26 entrants, the result being

- | | | |
|-------------------------|----------------------|------|
| 1. Sergt. D. Lehen, | 40 points out of 60, | 66 ½ |
| 2. Pte. K. Newing, | 36, | " |
| 3. Sergt. H.E. Bennett, | 32 | " |

Eight others made over 20 points.

Considering the novelty of the conditions and the fact that the men had to judge their own shots, marking being impossible under the circumstances, I consider the result satisfactory.

Sincerely yours,

Commandant.

DEFENCE FORCE

The Church House.
Port Stanley.

Dear Captain Neumham.

As a slight recognition of the ready answer to the Call for Service given by the Volunteers (Defence Force) - ^{since} ~~during~~ August of last year, I hope to be able soon to hand over to you a Challenge Cup for shooting at the Range, which is to be subscribed to by the people of Stanley. I also hope that sufficient funds will be forthcoming to provide a miniature of the Trophy to the successful man each year.

The conditions, ^{for shooting} I think which would be most popular, and, under present day conditions, most useful - would be full service conditions.

With all kindest regards.

Believe me

Yrs. sincerely,

Quintin H. H. H. H.
