12th. March 1923.

Sir,

I have the honour to submit for your consideration the following.:-

Engineer Point Hut & Telephone line. Will you kindly inform me, if this is the property of the F.I.D.F. in 1914 a hut partly framed for Sea Lion Island was erected at Engineer Point, later on an addition was made to this by the Defence force and paid for from that vote. The Telephone line was put there by the Defence Force, The wire itself is now strewn about but part of this could be made use of on the Rifle Range.

I am Sir,

Yours Obediently.

Lt. ~~A.~~ Adjutant. F.I.D.F.

The Hon.Colonial Secretary.

Stanley.
