Hon. Colonial Secretary.

J. Newman is the workman who would be most suitable for the position of Special Warden, as I believe that he acted in a similar capacity some years ago. Newman is a "handyman", i.e. Carpenter, mason, etc.

2. I would suggest that Newman be paid £1 per month extra while acting as Warden.

Hon. Col Secretary  
Sir,

at the present time. There is one  
Prisoner in the Gaol under a term of  
three years penal servitude, recently  
he has been taken out to work by  
Sergt Barnes. I suggest that one of the  
Gov. labourers be asked to take charge of  
the Prisoner daily acting as a working  
warder.

there is a small vote under VIII Police  
& Prison, Temporary Warden.

I am Sir

your obedient servant  
W. Sullivan  
Chief Constable
