Colonial Engineer.

The Chief Constable
XXXXXXXXXXXXXXXXXXXXXX

The street lamp at the corner of Villiers Street - Fitzroy Road was tampered with last night. The cylinder was emptied and the shale oil was allowed to run over the ground. This is the third occasion that this same lamp has been tampered with. I shall be glad if you will arrange to have the street lamps watched occasionally.

THE COLONIAL SECRETARY,

Stanley, Falkland Islands.

STREET LAMPS.

I beg to attach copies of two memos sent to the Chief Constable regarding the street lamp at the corner of Villiers Street - Fitzroy Road, which is continually being tampered with, and submit for covering approval the action taken to discontinue the lighting of this lamp until such time as the hinges and locks, which are on order from England, can be fitted.

G. Roberts.

Colonial Engineer.

NOTICE.

Notice is hereby given that the Street Lamp at the corner of Villiers Street - Fitzroy Road has been tampered with so persistently of late that it has been decided to discontinue its use until such time as the necessary hinges and locks for its proper protection which are actually on order from the United Kingdom can be fitted.
