Payment of War Bonus to Government Servants - 1919.

Previous Paper.

MINUTES.

H.E.,

1. I have requested Heads of Departments to submit vouchers for the payment of War Bonus for the period 1st January to 30th June, 1919, as approved by Y.E. on 30. 12. 18. (M.P. 654/18). I will submit the vouchers for Y.E.'s authorisation when all are received.

2. The vouchers already received from the Acting Treasurer and the Foreman of Works respectively contain no reference to the payment of Bonus to Mr W. A. Thompson and Mr R. E. Baseley. Will these Officers draw their Bonus from the Crown Agents or should payment be made to their Agents locally?

3. War Bonus is due to L. E. Bennett, late Messenger and Typist, C.S.O., from 1st January to 15th April inclusive. He has left no authority for anyone to draw the amount. May payment be made to his Mother, Mrs H. E. Bennett, on his account ?

1. Very well
 2. These can stand over for the present.
 3. Better stand over for an order, otherwise question might be raised by Audit and give much trouble in writing.
