June 5 - 42.

To The Hon, Col, Secy,

Sir as a member of the Civil Community I would thank you to inform as to my position in the following circumstances. Today Sgt Sullivan interviewed me on behalf of his Commanding Officer Major Woodgate re billeting of troops. and said that billeting laws as applied at home are in force here. I should like to know if this is correct. If so who is in charge of them the Civil or Military authorities. As I have had both of them at my home on the same matter.

I Remain

Yrs. Respectfully  
J. P. Walker

MALVINA HOUSE

FALKLAND ISLANDS

Your Excellency:

I shall be glad if you will be pleased to reconsider the question of the taking over entirely of Malvina House - of which we have recently had notice.

I make this request in the view of my husband's very depressed state of health. He is certainly in no state to spend another winter in the camp, and we have, for this reason been considering for some time the question of retiring for good.

We are more than willing to have as many people

billeted on us as may be  
accommodated but do pray  
that our much loved home  
be not entirely denied to us  
who are no longer young

I am Sir

Yours faithfully  
Wynifred Felton

GOVERNMENT HOUSE,

FALKLAND ISLANDS.

Dear Mrs. Felton,

I am afraid it is impossible for me to make any promises for the very simple reason that I know nothing of what may be required. Indeed I do not know whether anything will be required at all.

But you may be assured that every effort will be made to cause the least possible inconvenience to anyone,

Yours Sincerely,

(SGD.) A. W. CARDINALL.

Dear Mr. Cardinal

This is a letter to  
say thank you very much for your  
very kind note.

I know you will feel very sorry  
when I tell you I had the doctor  
make an examination of my  
husband yesterday and he gives  
a very adverse opinion. He  
spoke in very grave terms &  
has alarmed me very much.

Yours sincerely,

Margaret Feltus
