The Hon. Colonial Secretary,
Port Stanley.

A letter was sent to you on 31 Dec 42 stating that it was proposed to discontinue the Treasury Guard with effect from the date the Paymasters Office was withdrawn from the Treasury. This letter apparently never reached you.

The Staff Paymaster discussed the necessity of the Guard with the Officer i/c Treasury prior to the letter being written and this Official agreed that the Guard need not be continued.

With reference to Major Busby's 122/OR/20/3 of the 14th January, I am afraid your letter of the 31st December did not reach my office. His Excellency considers that, in view of the very large amount of currency notes which have to be stored in the building against the requirements of the Force, a guard is still essential. I am, therefore, to request that it may be mounted again as soon as possible.

The Honourable,

C.C. 359 A.A. Bty reports that a number of people wish to enter the Secretariat after dark for the purpose of rehearsing plays. None of these people are in possession of passes to enter the building, and they are not known to the Guard Commander.

Will you please therefore arrange for anyone who has to enter the Secretariat building after dark to be issued with a pass, a specimen of which should be handed to the guard commander.
