Germany has terminated as from *4 o'clock p.m.*
on the *9th July*....., 1951.

His Majesty's Government in the United Kingdom must reserve the right to retain any money or property subject to control by virtue of Trading with the Enemy legislation or in the custody of any prize court but they desire to recall that *under that legislation* no obstacle has been placed since 29.3.49 in the way of the resumption of full commercial and financial dealings between persons in the United Kingdom and persons in Germany or of the acquisition of property not then subject to control, and this position will remain unaltered.

Contracts concluded before the war between persons in the United Kingdom and persons in Germany will also remain subject to Trading with the Enemy legislation, but contracts concluded on or after 29.3.49 have been in the same position as contracts concluded with persons in any friendly country and no obstacles have been or will be raised in connexion with them by reason of the fact that a formal state of war has previously existed between the United Kingdom and Germany.
