2. Steps are being taken to ascertain what is the practice in this country with regard to Shipping Certificates in the case of condemned ships which formerly belonged to neutral owners.

CONSULAAT GENERAAL DER NEDERLANDEN

FINSBURY CIRCUS HOUSE,

12 Blomfield Street,

London, E.C.

May 31st, 1915.

Sir,

In January last the Netherland S.S. "Josephina" was detained by a British man-of-war and subsequently the ship was condemned by the Prize Court of the Falkland Islands.

A complete list was made of all victuals on board by the British Authorities, a copy was handed to the master and he received a promise that he would receive compensation after deduction of some expenses.

Captain Catlender now wishes me to inform him whether he could receive this compensation and where his claim would have to be sent, and I should feel greatly obliged by your enabling me to reply to this question.

The ships papers were also taken away and I should be grateful if you could let me know how I could get possession of them notably of the certificate of nationality ("zeebrief") and certificate of seaworthiness ("Certificaat van Deugdelijkheid") as I have to withdraw these.

I am &c.,

Consul General.

THE UNDER SECRETARY OF STATE

No. 22

Government House, Stanley.

2nd February, 1915.

Sir,

With reference to my telegram of the 29th January, and in accordance with instructions conveyed to me in your Circular Despatch of the 14th October, 1914, I have the honour to transmit herewith a copy of the proceedings of the Supreme Court of the Colony in re, Prize s.s. "Josephina" captured on the 6th January by H.M.S. Carnarvon and brought into Port Stanley on the 8th January.

2. The ship and her cargo were condemned by the Court on the 29th ultimo, as reported in my telegram referred to above.

3. A statement of certain small charges incurred on account of the maintenance of the Captain and crew of the "Josephina" from the date of her condemnation until ~~their~~ departure for England in H.M.S. "Otranto" will be submitted in due course for collection from the Dutch Government through the Foreign Office should you consider such action desirable. On the other hand should you be unwilling to trouble the Dutch Government in the matter the Colonial Government can be reimbursed by defraying the amount of the bill ~~from~~ the proceeds of the sale of the Prize.

4. As instructed in your telegram of the 22nd October I await your instructions with regard to the sale of the ship and cargo. As you will readily understand it is highly undesirable that the sale should be conducted in
