Dear Sirs:-

BAGGAGE ALLOWANCES

We beg to advise you that the free baggage allowance on R.M.I. vessels is now as follows:

Saloon Class.	1 cubic metre

This allowance is per passenger, notwithstanding their age or passage money paid. Sir:-

BAGGAGE CHARGES

We hasten to advise you that all baggage charges for the port of Montevideo have been considerably increased, and attach hereto copy of Decree No. 14.036 dated 1st inst. which now replaces the tariff approved in 1957.

You will gather from same that, for example, the charge to take a suitcase from the "Darwin" through Customs to a hotel in town, and from there to the onward vessel to U.K. would be £9.- Similar transport for a trunk would be £18.- and for a case under 100 kilos £21.-

We have taken this matter up with Victor Piñeiro - our baggage man - with a view to obtaining a rebate for your passengers and we are pleased to say that we have agreed on the following special tariff for Falkland Islands passengers:

Large cases.....	£ 10.-
Trunks & small cases.	8.-
Suitcases.....	5.-

These rates are applicable as from the next trip of the s.s. "Darwin" and we would appreciate your assistance in advising all passengers who embark at yours of this increase.

Thanking you in anticipation, we remain,

Yours faithfully,

FALKLAND ISLANDS DEPENDENCIES SURVEY.

PORT STANLEY,

FALKLAND ISLANDS.

5th December 1958

Dear Mrs. Barton,

Thank you for your letter dated the 4th December, 1958. I am very grateful for your co-operation in this matter and, in particular, for your being prepared to release Mr. Tait at 3 months notice, or earlier, if you find a suitable successor in time.

As to the loss of two of your Jetty gang to FIDS vessels this season I can only say that I was unaware of the fact but that if I had been notified at the time I would have done my best to see that the Masters of the vessels concerned had first thoroughly examined alternative sources of manpower. On the other hand, I understand that the "John Biscoe" lost the bosun, R. Ferguson, to the Jetty gang so that on balance only one man was effectively lost to you. However, I can only re-iterate what I said at our meeting when you mentioned the "Darwin" and that I will do all possible to avoid any further encroachment upon your key staff. In fact, the point about taking the "Darwin's" crew was well taken by Captain Johnston when I took it up with him and he refused to consider two possible applicants from that source.

We are seriously considering going over to a full U.K. crew for both ships. This might bring some relief to your Company though the occasional replacement of a member of the crew owing to sickness might be unavoidable.

Yours sincerely
John Isener

Dear Mr. Barton,

Jock Tait has accepted the offer of an appointment with F.I.D.S. and I should be most grateful if you could now give me some indication as to when you are prepared to release him. We are rather anxious to secure his services as soon as possible in order to re-organise the supplies section before I go south early in February.

Yours sincerely

The Secretary,
F.I. Dependencies Survey,
Stanley.

Dear Sir,

Referring to your letter of the 1st inst., Tait handed in his resignation on 6th November.

Tait is a member of our Covenanted staff and as such it is customary to give or be given six months notice. However, he was engaged in Stanley and not in U.K. and we are prepared to reduce the necessary notice to three months or until we find a suitable successor for his particular job, whichever is the lesser.

The Company has already lost two men from the Jetty to F.I.D.S. vessels this season, and at a minute's notice too, so we cannot reasonably be expected to co-operate with your organisation to the fullest extent.

Yours faithfully,

Manager.

Dear Sir,

In order to eliminate the use of Local Purchase Orders for purchases made by FIDS personnel in transit at the Army Camp, the Survey has granted the personnel concerned a daily victualling allowance and would be most grateful if your company would therefore allow Credit Purchases to be made by Mr. M. Taplin who is acting as victualling officer.

We should be grateful if all purchases for the Army Camp effected since 1st. December could be charged to Mr. Taplin's account and all counterslips issued to date amended accordingly.

Yours faithfully,

Mr. & Mrs. R. WOODS

As regards these passengers we were not able to book them on BOAC's maiden flight, as same was fully booked since a long time ago, so we have confirmed them with SAS, on Flight SK-958 - 28/1/60. We must mention that these tickets had to be issued at two different rates of exchange, because on your first letter addressed to SAS, on Sept. 18th. last, you only asked for Tourist single trip, and now it was not possible to book Return at the same rate of \$10.54, so we had to do it at the rate of \$ 11.41.

Mr. A.F. LEWIS

We were not able to transfer this passenger to KLM, so we have confirmed same with SAS, Flight SK-956 - 29/2/60. The same case of rates of exchange applies to this ticket.

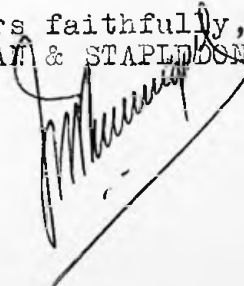

Mr. W.R. LUXTON

We confirmed this ticket for LUFTHANSA's Flight 503, on 29/2/60.

Dear Sirs:-

We beg to acknowledge receipt of your favour dated 16th inst. contents have been noted and for which we thank you.

Regarding Mr. J.A. Robertson, we have contacted the British Consulate and are arranging to repatriate him as a Distressed British Subject on an Emergency Certificate.

With regard to the passengers booked per "Laennec", sailing on 24th inst. kindly note that we have assisted them in securing hotel bookings, checking their baggage, escorting to the hotel and obtaining their passage tickets, etc. which would have been very difficult for them to arrange with their lack of knowledge of Spanish and of the city of Montevideo.

Starting with these passengers, we will be obliged to debit you with a charge of £1 per passenger for the attention and time devoted to them when they proceed on vessels other than Royal Mail, in which case we receive a commission on the passage money involved from that Company.

In the case in question, we will therefore debit you with £4 in account current for the present month.

Trusting our procedure will meet with your approval we remain,

Yours faithfully,

As requested, please find enclosed herewith twenty-five "Fichas de entrada", Nos. 011110/34, for use in your office.

Kindly note that any cards you cancel need not be returned to us.

Whilst on this subject, we would say that U.S. Citizens must also have a "ficha de entrada", i.e., the case of Mr. J.H. Ollson, who arrived per "DARWIN" yesterday. (See Immigration Regulations, page 24). Fortunately, we were able to prepare a "ficha" on board and avoid difficulties to the passenger concerned on arrival.

Dear Sirs,

TRIANGULAR TOURS MONTEVIDEO/P.ARENAS/STANLEY

We beg to acknowledge receipt of your letter dated July 30th.last, with reference to above subject, and your telegram of the 4th.inst. reading as follows:

"BOLT CONFIRM TOUR OFFER"

Accordingly we have booked Mr. D.Bolt for mentioned tour, Open date, making stopover at Santiago, and are debiting on your account the amount of \$ 820.00 Urug. covering this trip. Departure dates from Santiago have been altered to Tuesdays and Fridays.

As regards the Hardy family travelling on Falkland passports, there is no inconvenience for them doing so, as the flight MONTEVIDEO/SANTIAGO mentioned via Buenos Aires, it has only the customary 30 minutes stop at this city, where no documents have to be shown, as passengers are considered in transit. Please bear in mind that British subjects must have Chilean visa to enter that country.

As requested, attached please find guides and brochures relative Chile.

Yours faithfully,

The Passenger Manager,
Maclean & Stapledon S/A,
Montevideo.

Dear Sir,

TRIANGULAR TOURS MONTEVIDEO/P. ARENAS/STANLEY.

We refer to our letter of 6th May, and the following information supplied to under-signed in Montevideo earlier this month.

Montevideo/Santiago de Chile \$ 338.-- C/u.

Santiago de Chile/Punta Arenas \$ Ch 48.200.--

(Salidas de Santiago para Punta Arenas Martes,
Jueves y Sabados a las 7.30 llegando a las 12.45)
(Aviones DC-6B).

The following may possibly take advantage of this offer -

Mr & Mrs Les Hardy
Mr & Mrs T. Hardy & Son (8)
Mr D. Bolt.

We presume the flights Montevideo/Santiago are those advertised by LAN via Buenos Aires, namely Flights LA-150 on Wednesdays and Saturdays, and LA-104 on Tuesdays. While this will be in order for Mr Bolt, do you think it advisable that the Hadry family, travelling on Falkland passports, should call in the Argentine? Perhaps there are direct flights by other lines at the same fare?

As explained previously, the bookings should be 'open' allowing for a stop-over at Santiago. The number of days stay both at Montevideo and Santiago will be determined by the passengers and the dead-line of arrival at Punta Arenas.

.... /2

Confirmation of these passages will be sent by telegram within the course of the next few days. We would then ask you to make the reservations, paying fares in full, and if possible debit our Account Current before the return of "DARWIN" on 7th August.

We wonder if you can procure a few guides, brochures etc extolling the beauties of Santiago and surroundings which will always be very useful over here for anyone contemplating such a tour.

Yours faithfully,
The Falkland Islands Trading Co. Ltd.,

The Passenger Manager,
Maclean & Stapledon S/A,
Montevideo.

Dear Sir,

MONTEVIDEO/PUNTA ARENAS.

We are having several enquiries regarding
air passages Montevideo/Punta Arenas.

We hope to organise Triangular Tours with
Voyages C-17 and C-18, and would appreciate you
advising the opportunities between Santiago and
Punta Arenas, economy class. It is noted that
the Transa Chile line appears to operate a flight
every Sunday at about 012 Santiago/Punta Arenas.
Are there other cheap lines ?

The plan is that passengers arriving at
Montevideo on 2/9/59 spend a week in Uruguay, then
fly to Santiago, spend a week there, and then continue
on to Punta Arenas to await RMS "DARWIN" due there
about 13/9/59.

No doubt it would be possible for you to
issue air tickets allowing for a weeks stop-over
at Santiago, and look forward to receiving your
advice.

Yours faithfully,
The Falkland Islands Trading Co. Ltd.,

Dear Sirs:-

PROPOSED TOURIST EXCURSIONS

With reference to your letter of 14th ultimo and further to ours of 24th of that month re the above, we beg to advise you that we have found out that the Automovil Club del Uruguay are unable to issue Carnets or Tryptiques directly to owners of cars registered in Port Stanley.

The two alternatives would be as follows:

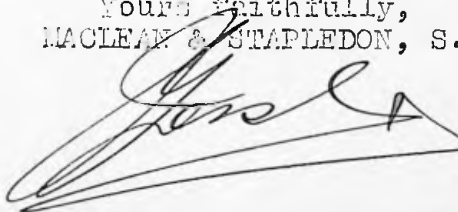

- a) That the Stanley Motor Association write direct to the Royal Automobile Clubs in London, asking them to furnish the Stanley Motor Association with a tryptique for each car.
- b) That the Stanley Motor Association write direct to the Royal Automobile Association, asking them to authorize the Automovil Club Uruguayo to issue a tryptique for the cars of passengers coming to Uruguay from the Falklands.

All the persons concerned must have an international driving licence.

The expenses involved here for discharging and loading would be about \$100.- per car. Should this be done on a holiday or out of working hours, the extra cost would be about \$150.-

We will let you know re the insurance by next mail.

We beg to acknowledge receipt of your letter of the 30th ultimo, contents of which merited our attention. As advised under separate cover the charge for the portion London/Hamburg is £10.10.0

It is in order for through-booked passengers to remain in London longer than the normal transit period provided the passenger concerned pays all the expenses involved. In such cases we must have sufficient advance notice.

Regarding Third Class passengers to United Kingdom who are not travelling on British passports, kindly note that, with no exception, a landing deposit of U\$80.- must be collected. Please advise any passengers you may have in future that they must have this amount in notes on arrival here so that we may issue the corresponding receipt.

In reply to your query re Mr. Krajenski, who was through-booked per "HIGHLAND PRINCESS" on 10th October of last year, we beg to advise you that the amount involved \$244.43 was debited to the Colonial Government in our account of 25th October of last year.

Passenger per LMS "DARWIN"

Dear Sir,

This is to confirm that we have booked your passage to San Francisco via Santiago and Panama through our Agents, Messrs Maclean & Stapledon S/A of Montevideo. The actual booking of the flights will depend upon the time taken to obtain your visas in Montevideo, and you should keep in close touch with our Agents.

For your information, LAN (Chilean Airlines) leaves Montevideo for Santiago on Tuesdays and Saturdays to connect with CINTA leaving Santiago on Wednesdays and Sundays at 11.00. CINTA arrives Panama on Thursdays and Mondays at 00.10, and Pan American leaves for San Francisco on the same days at 14.30.

Please advise our Agents of how long you want to 'stop-over' at Santiago and Panama before they issue the tickets.

Please advise us of your forwarding address in order that we may refund the balance of your deposit to you when the final account is rendered.

Yours faithfully,

To the SHEEP BREEDERS of the FALKLAND ISLANDS

Montevideo, December 18th, 1958.

On the 27th February, 1959, we shall hold at our yards in Melilla, close to Montevideo, a sale of Romney Marsh sheep.

The offering will consist mostly of ewes, selected flock and stud ewes (pedigree), suitable for high quality flocks. Up to now the inscription amounts to 1.000 ewes.

The sale will also comprise some rams, selected and stud rams.

For your information, we quote the averages obtained in our last sale, held in February this year:

Stud (pedigree) ewes	\$	244
Flock (selected) ewes	"	118
Flock ewes	"	51
Stud (pedigree) rams	"	1624
Flock (selected) rams	"	162

Actual exchange rate: around \$25 Urug/cy. per £1

"Selected sheep" are those selected by individual inspection by an official committee, and considered suitable for improving any general flock; the committee tattoo the sheep selected with the letters "MO" (Mejoramiento Ovino).

Uruguayan Romneys are raised exclusively with animals imported from New Zealand; imports were changed from England to New Zealand about 30 years ago.

If you decide to come to Montevideo and have a look at our Romneys, at the time of the sale in February, we will be only too glad to help you and furnish you all the information you may require.

accordingly.

He will have to remain in Montevideo
around 5 or 6 days in order to obtain the corresponding
visas for Chile, Panama and U.S.A.

For your guidance we wish to point out
that CINTA flights leave Santiago for Panama twice per
week, Wednesdays and Sundays, the other connection
having daily services.

Yours faithfully,

Mr L. Wieland,
FIC/ Darwin.

Dear Sir,

As requested we have cancelled your Royal Mail Line booking and now await your instructions regarding your air passage to San Francisco. There are no direct sailings to West Coast US ports from Montevideo, and as previously advised, the cheapest air route is via Santiago, Chile. Below are three alternative routes, with approximate costs, and when you have decided which suits you best, we will make the booking.

TOURIST CLASS

Santiago/Panama	U/\$	115.05	(CINTA)
Panama/San Francisco.		184.10	(PAA)
		<u>299.15</u>	
		=====	
Santiago/Havana	U/\$	136.50	(CINTA)
Havana/San Francisco.		145.10	(AA)
		<u>281.60</u>	
		=====	
Santiago/Miami	U/\$	149.50	(CINTA)
Miami/San Francisco		130.70	(AA)
		<u>280.20</u>	
		=====	

Rate of exchange \$2.80/£ approx.

The flight Montevideo/Santiago will cost about \$12 and in addition are airport taxes, and of course visa fees. We are advised that you should obtain visa for entry into USA (validity two months) from the American Embassy in Montevideo. It takes two or three days before this can be granted. All other formalities can also be attended to while at Montevideo.

Please confirm your routing as soon as possible.

Yours faithfully,
The Falkland Islands Company Limited,
