Dear Sir:-

We are in receipt of your kind letter dated 24th ultimo, informing us of your proposed trip to the Falkland Islands to do geological work.

There is a monthly service from Montevideo to Port Stanley per R.M.S. "DARWIN", a modern one-class vessel of about 1800 gross tons, which carries 36 passengers in double and four berth cabins. The rate for the return trip is \$55. in double cabins and \$44. in four berth cabins.

The sailing dates from Montevideo are 24th November and 10th December; the schedule for next year is unknown as yet. Payment may be effected in sterling to Messrs. The Falkland Islands Trading Co. Ltd., 120 Pall Mall, London S.W.1, or to us in Uruguayan Currency at the ruling rate of exchange.

We are forwarding a copy of this letter to the above firm, who are the owners of the "Darwin", requesting them to effect a booking on your behalf and to advise us in due course of what arrangements have been effected. We are also sending a further copy of this letter to their Office in Port Stanley, so that they may book your return for their January 1961 sailing.

Yours faithfully,

Dear Sirs:- HOTEL ACCOMMODATION

We refer to accommodation reserved at the Hotel Florida for the following passengers who arrived here per "AMAZON" on 2nd. inst.: Mr. & Mrs. J. Booth and family and Mr. R.J.Piper.

As you are aware, this hotel does not have a restaurant and passengers must have their meals at a restaurant which is situated a square away. This restaurant hands the bills for the meals to the Hotel Florida and they in turn, bill us for the total (i.e. room & board plus tipping).

At the request of the above passengers we have handed them \$30.- per day per person to cover their lunch and dinner and will therefore debit you in the account current with the hotel bill, which includes bed and breakfast and separately, with the cash advanced for their meals.

We believe this a satisfactory arrangement for passengers who must remain here for more than just two or three days as, in particular at this time of the year they spend most of their time by the seaside and it avoids their having to come back and forth for meals.

Yours faithfully,
MACLEAN & STAPLEDON, S. A.

Dear Sirs:-

We beg to acknowledge receipt of your letter dated 7th inst. regarding passengers who arrived per "DARWIN" here on 11th inst., contents of which have merited our attention.

In future, we would be much obliged if letters addressed to this firm referring to hotel bookings and onward bookings and enclosing passage orders and/or miscellaneous charges orders, be handed to Captain White in a separate envelope, with the request that same be handed to our Passenger Department representative immediately on arrival, so that the matters may be dealt with without delay.

We note your remarks re Mrs. Galloway and will telegraph our reply shortly.

We regret to say that no P.S.N.C. baggage labels are available at this Office. Same are handed to the passengers at Santiago when their passage ticket is issued in exchange for their passage order.

We understand Mons. Ireland wishes to travel by sea and as soon as itineraries of cargo vessels are known, we will advise you what connections are available.

Yours faithfully,

Dear Sirs:- BOOKINGS OTHER THAN R.M.L. & B.O.A.C. - 1962

We refer to your letter dated 24th July, re the above, contents of which have our attention.

We note that Miss P. McDavidson has accepted the booking effected on her behalf per "REINA DEL MAR" mid April 1962.

Regarding Mr. & Mrs. G. Pugh, kindly note that cabin 258/9A in Cabin Class has been reserved from Valparaiso to United Kingdom per "REINA DEL MAR" sailing on 20th April 1962. As these passengers are also booked in cabin No. C103 per "ARLANZA" 31st March from this port, we would be pleased to hear by return mail, which of these bookings is definitely accepted.

It is noted that Monseigneur Ireland will require a passage from Montevideo/Buenos Aires to United Kingdom per cargo vessel after 30th March, if possible, to Liverpool. When the schedules are known for 1962, we will advise you what booking has been effected.

As the first sailing of Blue Star Line after 30th March is the "BRASIL STAR" on 20th April, we have booked Mr. Epps in First Class cabin B49 per "ARLANZA" on 31st March. Please confirm that this booking is acceptable by return mail.

Regarding your enquiry about air passages to Sydney for Mr. & Mrs. James Robertson, kindly note that we are writing to this family direct, as we have had several letters from them asking for estimates on different routes. You will no doubt, confirm to us in due course which way they decide to travel.

Yours faithfully,

Dear Sirs:-

This is to request you to kindly advise us with all possible anticipation of any animals or pets which passengers, arriving per "Darwin", wish to ship with them to London.

In the case of the Pearson family, who arrived per "Darwin" on 26th inst. and sailed the same day for London, they had a dog, and the only advice we had prior to arrival of this animal, was a telegram received from Captain White the day before arrival. Mr. Pearson states he had mentioned several weeks previously to your Office that his dog would accompany them on the "Arlanza".

As you are aware, there is a quarantine of six months in the United Kingdom and a licence must be obtained before shipment from this port, from the Ministry of Agriculture and Fisheries in England, after accommodation has been booked with a quarantine kennel approved for that purpose by said Ministry and that arrangements have been made with an approved carrying agent to meet the animal on arrival and convey it to the kennels.

Due to the lack of time, because of the close connection between the "Darwin" and the "Arlanza", we cabled you immediately so that you could arrange through your Principals to obtain this permit and requesting them to advise Mr. Pearson on board "Arlanza" of the licence number. Mr. Pearson wrote to his family by the B.O. A.C. plane which left for London that same day, to ask them to arrange with Spatt's Patent Ltd. for the boarding of his dog.

We trust that everything will be in order and that no difficulties will arise on arrival in the United Kingdom.

May we request your special attention to this matter to avoid a repetition of this oversight, as this could have caused considerable inconvenience and expense to Mr. Pearson if we had refused to ship his dog.

AEB/vD.

Yours faithfully,

Dear Sirs,

AIR/SEA BOOKINGS

We refer to the last paragraph of your letter dated 3rd. inst. regarding the above.

As you are aware a passenger may travel to Europe by air and return by sea or vice versa and is entitled to a 10% rebate on each portion of the passage provided both the north and southbound passages are paid before the passenger starts his trip.

There is a special agreement between certain shipping lines and certain airlines which allows tickets or passage orders to be endorsed to another.

For instance, in the case of the Clements who paid return passages by sea, it will be in order to transfer the return portion by R.M.L. to B.O.A.C. or some other airline in London without losing the 10% rebate on same. It will be necessary for the passage order issued by your good-selves for their return by a R.M.L. vessel, to be endorsed by Royal Mail Lines Ltd. to B.O.A.C. in London.

Should you require any further information or clarification on this matter, please let us know.

Yours faithfully,

COPY OF LETTER RECEIVED FROM
ROYAL MAIL LINES, LIMITED - HEAD OFFICE

8th June 1961

Mr. Einer Ovesen
"ARAGON" N/B from Montevideo 28.5.61.

We thank you for your letter of the 31st ultimo and note that owing to the shortness of time available this Danish passenger booked by Port Stanley sailed without making the customary landing deposit.

It is unlikely the Port Stanley Agents will book many passengers other than of British nationality, but to safeguard ourselves we feel we should establish a policy in this matter.

As a general rule Scandinavian nationals are permitted to enter England for a short period or in direct transit, but if the latter is 'ordered' it is essential the person concerned should be in a position to produce, or have funds to pay for, the necessary steamer ticket for the North Sea journey.

It would therefore be preferable that Port Stanley should make it a regular practice to collect the deposit from any non-British nationals travelling third class (so that they may have this deposit available to them on landing) or perhaps even better still the passenger should pay the appropriate through-booking supplement to his destination, in which case we take every responsibility for him to the Immigration Authorities.

As an alternative, we are of course prepared to accept a suitable indemnity from a reputable organisation or firm, which will cover us in the event of any unexpected expenses arising consequent upon the passenger being refused leave to land or his disembarkation delayed for any reason resulting in expense.

In cases where these passengers are seamen it would be helpful to us if you could let us know in advance the name of the firm representing the Owners as it may be necessary for us to contact them in respect of the passengers' departure from this country.

After "ARAGON" arrives we will let you know if any difficulties arose in this particular case.

Can we please leave it to you to communicate with and instruct Port Stanley as necessary.

For PASSENGER MANAGER
S.W. Pegler.

Messrs

LONDON

Dear Sirs,

Mr. Einar OVESEN

We refer to the above Third Class passenger who is travelling in berth 417 to London per "ARAGON" which sailed from this port on 28th.inst.

This gentleman is travelling on ticket N° 14250 issued against passage order N° 07091 issued at Port Stanley on 22nd.inst. As this passenger is of Danish nationality, they should have collected the British Immigration Guarantee Deposit of u\$s 80.-, when they collected passage money and taxes, but presume that due to an oversight, this was not done.

In view of the close connection between the "DARWIN" in which he travelled to this port and the "ARAGON", we were unable to contact them by cable and we therefore hope that no difficulty will be experienced when Mr. Ovesen arrives in United Kingdom.

Yours faithfully,

MACLEAN & STAPLEDON S. A.

Dear Sirs,

Mr. Einar OVESEN

We beg to enclose herewith copy of letter of even date which we have forwarded to Royal Mail Lines Ltd. at London, regarding the above Third Class passenger.

As you are no doubt aware, when any Third Class passenger who does not hold a British passport is booked for the United Kingdom, a British Immigration Guarantee Deposit of u\$s 80.- or £ 25.- must be collected.

This deposit in notes is handed to the Purser of the vessel in which the passenger sails and is refunded to the passenger after he has been authorized to land in the United Kingdom by the British Immigration.

If the passenger is proceeding to London in transit to a port on the Continent, he may be issued with a through ticket, as you will note from the attached fare tariff.

If Mr. Ovesen had been in possession of a return ticket to Uruguay there would have been no need to collect said deposit.

Thanking you for your attention to this matter, we remain,

Yours faithfully,

Dear Sirs,

We refer to your letter dated April 28th. last, regarding BOAC bookings, and for your reference we are enclosing herewith complete status of air bookings made at your request as at May 1st. Kindly cable if any changes are to be made.

As a result of BOAC increasing their flights to South America, they have changed their itineraries as follows: SOUTHBOUND: Monday, Thursday and Saturday (Thursday flights overfly Montevideo). NORTHBOUND: Monday, Wednesday and Saturday (Wednesday flights also overfly Montevideo). Due to this circumstance the following changes have been made on Southbound bookings:

Mr. & Mrs. McDONALD and child and Miss M. BROWN, from July 27th. (Thursday) were transferred to July 29th. and 24th. flights respectively.

Sir Edwin ARROWSMITH from August 24th.(Thursday) to flight August 21st.

Mr. D.M.POLE-EVANS and Mr. S.MILLER and son, were transferred from August 24th. to August 26th. flight.

Please confirm if these new bookings are in order.

As regards bookings for Mr. & Mrs. Harding we have not taken any action, pending doctor's decision in Montevideo.

Concerning last paragraph of your letter, we have taken due note and appreciate your efforts in emphasizing travel by RML and BOAC. As regards the Government's decision of cutting their expenditures on air passages, we would mention for their information that KLM leaving Montevideo on Saturdays also have the low "Propeller" fares, i.e. £153-12 (u\$s430.-) One Way and £276-10 (u\$s774.-) Return, thus passengers will not incur in hotel expenses at this end.

Yours faithfully,

Dear Sirs:- RECIPROCAL AGREEMENT WITH GREAT BRITAIN, NORTHERN IRELAND, THE CHANNEL ISLANDS AND THE ISLE OF MAN

We have pleasure in advising you that a reciprocal agreement between the above and Uruguay will come into effect on 1st April of this year.

This agreement applies only to British subjects holding passports bearing on the cover the inscription "British Passport" at the top and at the bottom "United Kingdom of Great Britain and Northern Ireland" or "Jersey", or Guernsey" and its Dependencies.

British subjects travelling to Uruguay under this agreement will require a "Ficha de entrada y salida" to be completed by the Office issuing the ticket, and will be able to remain here for three months which may be extended to a total of six months.

It should be noted that applications from British subjects for permission to stay longer than six months will have to be made through the appropriate Uruguayan Consul in the United Kingdom or elsewhere; they cannot be made from within Uruguay by persons who have entered without a visa under this agreement.

We understand that in due course this agreement may be extended for passengers travelling on Falkland Islands passports and we will advise you, if and when this comes into force.

Yours faithfully,

Dear Sirs:- PASSENGERS TO URUGUAY

With reference to previous correspondence we wish to stress the importance that all passengers travelling to -Uruguay must be in possession of either a return ticket to Port Stanley, a passage order to proceed to the United Kingdom or an air passage. These passages must be produced to the Immigration authorities on arrival here.

In the case of Mr. & Mrs. Nicholson, who arrived here per "Darwin" on 18th inst. they were not in possession of either of the above and their passports were retained by the Immigration authorities. Considerable time and trouble has been necessary to get them back and it is fortunate that as they are now sailing on 27th inst. there will still be time to obtain the necessary visa and ticket.

In cases similar to the above, when passengers cannot obtain a passage order or ticket before arriving here, please issue your passengers with a return ticket, which can later be cancelled if they change their destination.

Whilst on the subject of documents required to enter Uruguay, kindly advise the Uruguayan Vice-Consul at yours that all the tourist cards issued by him, must have the finger prints of the passenger concerned, as same must be done here every trip and is just a waste of time when clearing the ships here.

Yours faithfully,
MACLEAN & STAPLEDON, S. A.

Dear Sirs,

Mr. J.M. Bruce

We were most perturbed to receive your account for passage and excess baggage charges paid on behalf of Mr. Bruce.

As you are aware Mr. Bruce was discharged from our service and in addition to recovering his return passage fare we are now faced with the task of recovering more than 50% of that figure for excess baggage charges.

Would you please advise why it was not possible to ship heavy baggage, as is customary with any traveller travelling by air.

Yours faithfully,

Dear Sirs:-

Please find attached hereto the following Circulars received from the Centro de Navegación Transatlántica:

No.1716 - Concerning the establishing of a Health Insurance for port labourers. In order to finance this insurance, the law disposes that all Owners must pay 4% over all wages of stevedores, tally clerks, sawyers, watchmen, etc. This law is in force as from 17th November 1962.

No.1719 - Relative to the new insurance premiums for stevedores. You will note that said premium has been reduced to 200 o/oo. In force as from 1st November 1962.

No.1720 - Advising that an Unemployment Insurance for stevedores working in the littoral ports (Salto, Paysandú, Fray Bentos, N. Berlin, Dolores, etc.) is established. For the financing of this insurance the law establishes that the Owner of each vessel must contribute with 25% over the wages of stevedores. In Art. 5 of this law it is stated that there is a tax of 0.50% over the CIF value on all goods imported per vessels of foreign flag. This amount is paid by the importer. You will note that this new measure benefits Uruguayan vessels. The Centro de Navegación has presented a protest before Government Authorities in this respect and we attach hereto, copies of notes and telegrams exchanged on the matter. In our opinion, it is most improbable that this tax be derogated.

No.1721 - Concerning the new tariff for Direction of Migrations.

No.1727 - Detailing the new prices for delivery of fresh water and in force as from 17th September 1962.

We must also inform you that discussions between the Centro de Navegación and Syndicates of Stevedores, Tally clerks, Watchmen, Coopers, etc. are still being carried on. Up to the present no solution has been arrived at. The syndicates demand a 50% increase and the Centro de Navegación offers 11%. We understand that the matter will require some time before any agreement is reached. We point this out as, once the percentage question is settled, the increase will be retroactive to 1st October 1962.
