Dear Sirs,

We have been instructed by our Head Office in London to pay ~~the travelling expenses to your port of Mrs Nelly~~ the travelling expenses from this port to yours of a Mrs Nelly Holth, and to instruct her to apply to you for a passage homeward (presumably to Norway) for which, they state, the ticket has been paid. Mrs Holth is a Norwegian subject resident here (wife of a Norwegian seaman) and has two children, aged 4 and 3 years respectively. We shall be obliged if you will confirm whether you have any information on this matter, and especially what would be the more convenient date for us to send her to yours; she could sail from here/26th April, arriving Montevideo 6th May, <sup>by our vessel</sup> or from here 21st May, arriving Montevideo 25th May.

If your vessels call at Montevideo, it would, we think, be simpler for her to embark there, instead of making the additional voyage up the river to your port.

We shall be obliged if you could forward your reply to us so as to catch our vessel "Lafonia" at Montevideo by 16th April (our Agents there are Srs Maclean & Stapledon S/A, Casilla de Correo 193).

Should it be necessary to telegraph us, your telegraphic address is as above, and we use Bentley's Complete Phrase Code.

24th March, 1937.

CONFIDENTIAL.

Dear Major Stewart,

I understand that Mrs Holth has been seeing you from time to time about her affairs. You may like to know that we received a telegram yesterday from our London Office as follows:-

Mrs Holth says she certainly cannot travel this time, and we are therefore taking the opportunity of writing to the Buenos Aires firm mentioned, asking them if they have any information regarding the matter.

Yours sincerely,

Sir,

I have the honour to enclose herewith copy of a letter received from Mrs Holth, wife of a Norwegian subject - contents of which are self explanatory.

The following particulars of the man have been given to me by Mrs Holth :-

Name	Arthur Holth
Born	4th December, 1907.
Place of birth	Unknown.
Occupation.	late Seaman on s.s. "Fleurus" (Tonsberg Whaling Co. Tonsberg).
Married	at Stanley, Falkland Islands, 11th August, 1932.
Present address	c/o Hans Holth (Father) Lindenflaatten, Nykirke Station. pr. Horten. Norway.

I have not deemed it advisable to communicate with this man by wireless as suggested by Mrs Holth owing to the expense it would involve but have informed her that I would request you to endeavour to trace this man with a view to obtaining some support for her and her two small children.

I have the honour to be,

Sir,

your obedient servant,

Messrs Maclean & Stapledon,

MONTVIDEO.

Dear Sirs,

A Mrs Helen Malvina Holth travels to yours this time en route for Buenos Aires and Norway. She is the wife of a Norwegian seaman and travels on a Norwegian Passport issued here.

From copies of telegrams attached you will see that a passage has been booked for her in s.s. "Cometa" from Buenos Aires, and though nominally without funds she has, we estimate, just sufficient to pay her passages up to Buenos Aires. In the circumstances we are not calling on her to pay for a Uruguayan Visa, as we hope the telegrams are sufficient evidence for her being regarded as a passenger in transit.

We have given her a letter to the Norwegian Consul at yours, explaining all the circumstances, and, in effect, asking him to pass her on to Buenos Aires as soon as possible.

Yours faithfully,

Manager.

Dear Sirs,

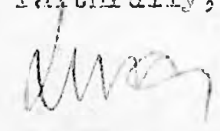

The bearer of this is Mrs HELEN MALVINA HOLTH, a Norwegian subject by marriage, her husband being Seaman Arthur Holth lately engaged in the Whaling fleets at South Georgia.

A passage has been booked for her, and her 2 children, in s.s. "COMETA", from Buenos Aires to Norway by the Company Agencia Maritima Basal, Calle Corrientes 222, Buenos Aires, and they have informed us that you, as their Agents in Montevideo will be pleased to give Mrs Holth what assistance she needs in Montevideo.

On arrival at yours she will have some £ 3 or £ 9 in English money with which, however, she will have to pay her own maintenance in Montevideo and her passage to Buenos Aires. It will naturally be best for her to go to Buenos Aires as soon as possible and report to The Agencia Maritima Basal.

Mrs Holth travels on a Norwegian Passport issued here.
