Payment of Subsidy to Falkland Is.
Transport Co. Ltd. for month of
January, 1919.

MINUTES.

Postmaster

The question of payment of the
subsidy for January had better stand over.
The S.S. Falkland, I am told, ran aground
on West Falkland about the 20th Inst. and
is not likely to get off until the 30th or 31st.
She has not made her contract trip for Jan.

It was never intended that the Govt. should pay subsidy for the steamer to spend 30 days or more on shore. The

subsidy

Subsidy might perhaps be paid on
the present occasion tho' perhaps
not strictly speaking due.

MINUTE.

The Honble the Col.Secty,

The s.s. Falkland did not return from Monte Video in time to take out the West Falkland mail in the first week of the month.

The mail was taken out on the 14th inst., and I should be glad to know whether the Falkland Transport Co, Ltd, are to be paid full subsidy for January or from the date the mail was received from the Post Office.
