Postage Stamps

1. It has been suggested that in view of the success of the Silver Wedding Issue we should ask the Queen to approve an overseas territories omnibus issue to mark Princess Anne's wedding.
2. As time is short there would have to be a single design (featuring a picture of the couple) for all territories which would have to be approved by the FCO. There would be two denominations with a total face value equivalent to about 20 pence. The stamps would have to be air-freighted. The issue would be in addition to the approved 1973 programme.
3. Please inform me at once by telegram whether you wish to participate in this issue and, if so, what denominations should be used and how many stamps of each denomination you would need assuming they remained on sale for three months.

If sales are as good as the Silver Wedding then we can look for some extra cash.
