TTTTT 7 Sept '23

The Tender Board met at 2.30 pm on Monday 24th Sept.

Three tenders were received as follows:

- (1) From W. Alex Ganner to cut and rubble Encl 3
3000 yards @ $7\frac{1}{2}$ d per yard.
- (2) From W. L. R. Anderson to cut and rubble Encl 4
3000 yards @ $7\frac{1}{2}$ d per yard.
- (3) From W. C. Henriksen to cut and rubble Encl 5
9000 yards - for old banks
 $7\frac{1}{2}$ per yard - for new banks.
8d per yard - wheeling soil
2d per yard.

The Board recommended that W. C. Henriksen's tender should be accepted subject to his being asked to furnish a guarantee similar to that given by the contractor last year to complete the work to the satisfaction of the Colonial Engineer.

LETTER FORM.

Departmental Number.

From The Colonial Engineer.....

Date 1st September 1923.

To The Hon. Col. Secretary.....

SUBJECT.

Supply of Peat for 1923 - 1924.

Reference
Numbers.

The Hon. Col. Secy.,

I beg to submit a draft notice inviting tenders for the cutting and rickling of 9000 cubic yards of peat.

2. To enable this quantity to be cut new banks may have to be opened late in the season, when the peat would have to be stacked on the hill ready for removal in about October or November 1924.

W. B. Bailey
Colonial Engineer

1/9/23.

TENDERS FOR PEAT.

Tenders for cutting and rickling 9000 cubic yards of peat will be received at the Colonial Secretary's Office up to 12 noon on Monday the 24th. September 1923.

Tenders should be addressed to the Chairman of the Tender Board, should be marked "Tender for Peat" and should be deposited in the box marked "Government Tenders" at the Colonial Secretary's Office.

2. Sods should only be cut at places indicated by the Colonial Engineer or by a person deputed by him, and must be cut and rickled to his satisfaction, otherwise they will be rejected by him.
3. The top sod to a depth of three inches is not to be reckoned, and the walls of existing peat cuttings must be cut a way to a horizontal depth of two inches before measurement can be reckoned.
4. Tenders should state the number of yards tendered for, and the price per cubic yard for sods cut to a size not exceeding:
 - (a) 9"x 9"x 6"
 - (b) 9"x 6"x 6",in old banks, new banks and for wheeling.
5. Half the quantity tendered for must be ready for removal by the 1st. December 1923 and the remainder by the 12th. January 1924, weather permitting.
6. The Government does not bind itself to accept the lowest or any tender.

W. S. Hardy
Colonial Engineer.

B Henricksen

COLONIAL ENGINEER'S OFFICE,

STANLEY,

26th. September, 1923.

Sir,

I beg to acknowledge your tender for cutting and rickling peat, dated 24th. September, and to inform you that, subject to the following, your tender has been accepted.

2. Before the agreement can be signed and tender accepted it will be necessary for you to provide security in the sum of one hundred pounds (£100) for the due fulfilment of your contract. Four copies of form of guarantee are enclosed herewith for your use. When completed two copies should be retained by you and two copies should be returned to this office.

3. The Agreement will require to be signed as soon as possible after the guarantee has been provided.

I am,

Sir,

Your obedient Servant,

Colonial Engineer.

Mr C. Henriksen,
Stanley.

GUARANTEE.

Stanley,

27th September, 1923.

Decline

I, the undersigned, do hereby certify that I will become security in the sum of One Hundred Pounds (£100) for Mr C. Henricksen: being surety that the said Mr C. Henricksen will fulfil, to the satisfaction of the Colonial Engineer, his contract with the Colonial Government for the cutting and rickling of 9000 cubic yards of peat and wheeling such quantity of peat as may be required.

Guarantor

M. J. Hutchinson

CONTRACT TO CUT AND RICKLE NINE THOUSAND
CUBIC YARDS OF PEAT.

- I, CYRIL HENRIKSEN, agree with the Colonial Engineer to cut and rickle nine thousand (9000) cubic yards of peat in sods as required; (a) of dimensions not exceeding 9"x 9"x 6" for -/7½d per cubic yard for open banks and -/8d per cubic yard for new banks; (b) of dimensions not exceeding 9"x 6"x 6" for -/7½d per cubic yard for open banks and -/8d per cubic yard for new banks, the sods to be cut and thrown in open bank, subject to the following conditions:-
2. The top sod to a depth of three inches shall not be reckoned and the walls of existing peat cuttings shall be cut away to a horizontal depth of two inches before measurement can be reckoned.
 3. The peat shall be cut and rickled in the places pointed out by, and to the satisfaction of, the Colonial Engineer or person deputed by him. Cutting shall commence on the 15th. October 1923, weather permitting.
 4. Half the quantity of peat shall be ready for removal by the 8th. December 1923 and the remainder by the 12th. January 1924, weather permitting.
 5. Wheeling under this contract shall mean removing dry rickled peat from bank to suitable position to be decided on by the Colonial Engineer within the vicinity of banks to enable the carts to load. The wheeling shall be such as may be required, ordered and decided by the Colonial Engineer in any and all cases and subject to the option of the Colonial Engineer to have the wheeling done by labour employed by him in any case and at any time, should he think fit.

The rate to be paid for all peat to be wheeled under this contract in accordance with the above shall be -/2d per cubic yard.

6

In case of failure properly to perform any part of the work hereby agreed upon to the satisfaction of the Colonial Engineer, that Officer may at once determine this contract and defray any cost incurred by my default by stopping any payment due or which may become due to me and, if such stoppage is not sufficient to cover the cost, he may mulct the person who has given security for my proper fulfilment of the contract in such amount as he may deem to be necessary completely to cover the loss occasioned to the Government by my default.

Signed this 27th day of September 1923.

C. Hennrichsen
Contractor.

R. B. Barclay
Colonial Engineer.
