Sir Cosmo Haskard  
Governor  
Stanley, Falkland Islands

Dear Sir:

International Nuclear Corporation of Denver, Colorado, U.S. is interested in initiating oil and gas exploration activities both onshore and offshore the Falkland Islands and the Falkland Island Dependencies. To this end, we wish to tender applications for exploration licenses or concessions within the Islands. We would appreciate receiving, at your earliest convenience, a copy of the regulations governing the granting of such licenses and other pertinent regulations applying to the conduct of exploration and production activities under the licenses.

We wish to thank you for your kind attention to this matter.

Yours very truly,

INTERNATIONAL NUCLEAR CORPORATION

Dear Sir,

1  
With reference to your letter of the 12th of January addressed to the Governor which reached here on the 30th of March, I forward herewith a copy of the Mining (Mineral Oil) Regulations 1964 which however may be subject to revision.

Yours faithfully,

(J. A. Jones)  
COLONIAL SECRETARY.

Mr. S. J. Rosenfeld,  
Manager, International  
Nuclear Corporation,
