1. Minute from Ag. Governor 1st Oct 1926.

2. I agree the invoice to which you refers - ref 64 is M.P. 513/25 - which does not help.

3. I have ascertained, however, from the F.I. Coy that 4 bags of this seed did arrive for Capt Cameron by the 'Tairua' in April last. The bags were ordered by the F.I. Coy on Capt Cameron's behalf and were supplied at a total cost of £10 12 0 by Messrs Daltry & Co.

From

~~THE COLONIAL SECRETARY,~~

Stanley, Falkland Islands.

I have received a telephonic enquiry from Hon. G. J. Dalton as to the possibility of being able to order a quantity of Swamp Grass (*Poa Aquatica*) seed from New Zealand.

I am under the impression that a quantity arrived by the "Pareora" in April last to the order of Captain Emerson of San Carlos North. Possibly Messrs. Dalgety's invoice may show
