Hon Col. Secretary
Sir

I understand men belonging
to the Putter Shamrock, were cutting
Tussac the early part of last week
on the Island in question.

In my opinion these Islands
should be visited occasionally
and reported on.

Hon Col Secretary

sir,

on the 19th of Feb I inspected the lower Tussock Island, and found that the Tussock recently cut by Mr. Pettersen was cut clean & I would see no reason for complaint
