Set has been very original idea but  
I am now doubtful as to whether these  
maps would be an appropriate exhibit in the  
Museum.

The Hon. Col. Sec.

The Colonial Engineer's statement is  
correct. On examination I found it  
was not possible to hang the maps  
in the Library owing to lack  
of wall space. I therefore had the  
maps hung in the Museum for  
the time being.
