Sir,

I beg leave to acknowledge with thanks the receipt of your letter of 2nd April, 1917, forwarding me the sunshine cards for Stanley for January, February and March, 1917.

I beg leave to enclose herewith ^{for your interest} a diagram showing the distribution of sunshine throughout the day at Stanley during each month based on the period 1906-1915. I find, however, that I have no sunshine cards representing the period between November 16th 1915 and June 1916 inclusive, and I shall be obliged if you will kindly inform me whether cards for this period are available.

I am, Sir,

Your obedient servant,

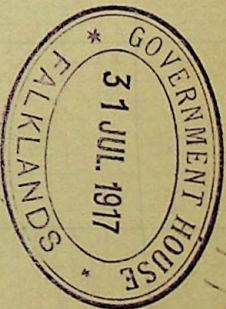

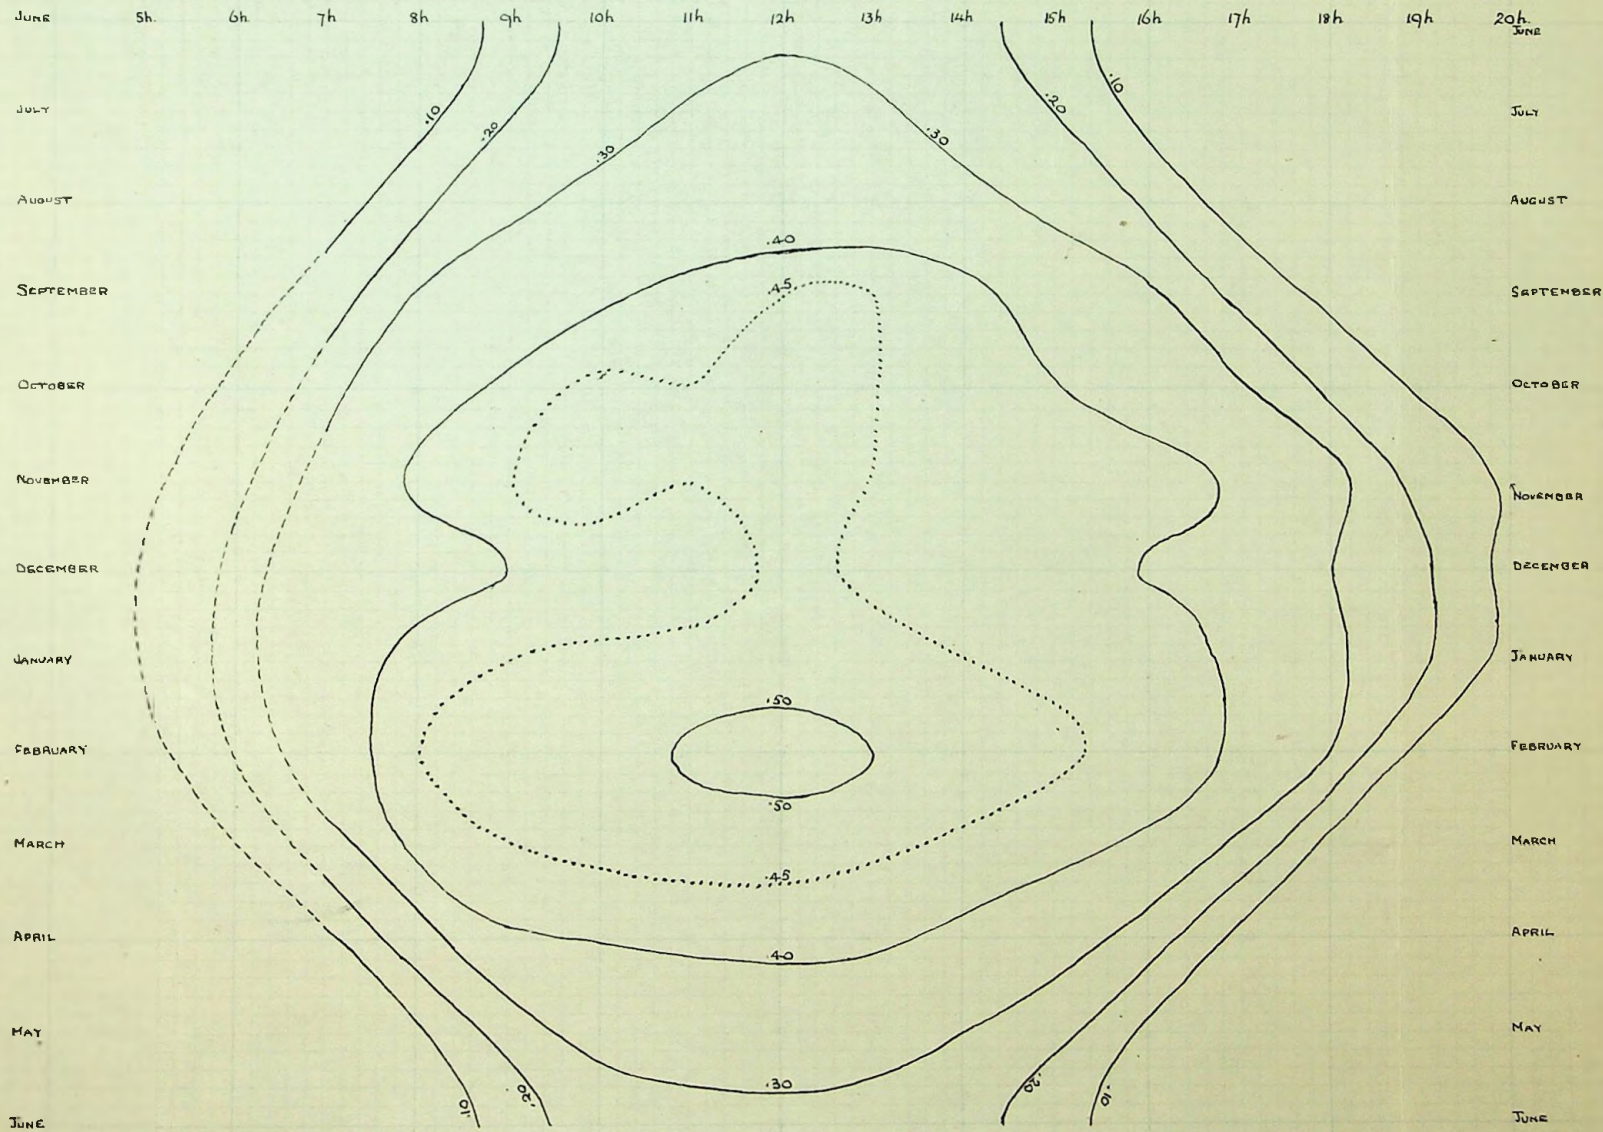

H. G. Lyons

Sir,

I have the honour to thank you for the diagram showing the distribution of sunshine at Stanley during the period 1906-1915 which accompanied your letter R.M. of 30th May, 1917.

I am sorry to say that during the period November 1915 to June 1916 no records were kept as the supply of cards had inadvertently been allowed to run out and there were none to be procured locally. The same applies, I am sorry to say, at the current time and no records can be kept until the fresh supply of cards asked for is received.

I have the honour to be,

Sir,

Your most obedient,

humble servant,

Governor.
