SUBJECT.

Meteorological Instruments.

Reference Numbers. }

Sir,

I beg to report that the Rain Guage which has been in the charge of Mr Benton, who left the Colony in the S/S "Orita", has, by His Excellency the Governor's orders, been removed from the garden of Government House in my charge.

The Guage is set upon the land adjacent to the quarters assigned to the Harbour Master.

I am, Sir,

Your obedient Servant

Colin Brockley

Harbour Master

N.C.S.
I have been unable to trace any
previous correspondence in the C.S.O
with reference to this matter

W.H. G.
