From His Excellency the Governor

to The Honourable the Colonial Secretary.

A case containing skulls of seal and addressed to Sir Frank Colyer was shipped from here on 28<sup>th</sup> March 1925. I had intended to pay the freight myself but other cases were sent to Rowlett Institute at same time & all charges were paid to F. I. Company from public funds. The amount paid on case containing skulls was £1. 4. 6.

2. Sir F. Colyer has now sent me a money order for £3 to cover charge. I have signed the order which is attached hereto & I shall be glad if Treasury will adjoint the matter & will take out a money order for any balance which may be left after all charges have been met.
