Mr. Barnes says that June & July are the months he would wish to take for seal & he assures me his vessel will be ready long before then. He also asked me to say that he would be willing to take a Gov. Officer to the waters for the purpose of taking a census prior to commencing operations if desired.

1.
Sir,

With reference to your letter of the 12th of August, 1952, I have to inform you that the Secretary of State for the Colonies, acting on the advice of his Fisheries Adviser has directed that complete protection should continue to be given to fur seal within the Colony, and it is therefore regretted that a licence to take them cannot be granted at present.

2. The delay in replying to your letter is regretted.

I am,

Sir,

Your obedient servant,

(Sgd) J. E. Briscoe

Acting Colonial Secretary.

Mr. C. Bundes,
STANLEY.
