

BINNIE FAMILY

NB: The following is prepared from Falkland Islands Registers and files – there may be other family born outside the Falklands. Unless stated otherwise, all dated births, deaths and marriages occurred in the Falklands and all numbered graves are in Stanley Cemetery. Any variations which may occur in the spellings of names are recorded as written in the records at the time.

William BINNIE was born 13 December 1847 to **William BINNIE**, a coalminer/blacksmith and **Marion SMITH** née **RUSSELL**. (*This was her second marriage and she had two children by her first marriage, Thomas born 1843 and Margaret born 1845*).

Marion POPE was born 8 October 1847 to **James POPE**, a coalminer, and **Marion POPE** née **NEILSON**.

William BINNIE (*junior*), tailor, married **Marion POPE**, a domestic servant, 18 April 1868 at Waterloo, Lanarkshire, Scotland. The witnesses were Nisbet Pope and Isabella Henderson. At the time of their marriage Marion's father was listed as deceased and her mother had remarried and was now **Marion BEVERIDGE**.

William and Marion emigrated with their children to the Falkland Islands from Cambusnethan, Lanarkshire, Scotland circa 1882/1883. Family information list them as arriving on the "Dennis Brundit". If this is correct and given the birth dates of their last child born in Scotland and their first child born in the Falklands they would have arrived in Stanley from London either on 4 May 1883 or 28 October 1884.

William died 27 March 1921 and is buried in Grave li859. Marion died 26 May 1929 and is buried in Grave L993.
