Copy,

To The Honble,

Algernon Montagu Esquire,

We the Undersigned, Natives of South America, humbly beg to lay this Our Petition before your Honor, because we are well aware your Honor is acquainted with the circumstances of Our Case, which are in substance as follows;—

We engaged with Mr. Williams to come to the Falkland Islands, for certain periods (some one and some another period) understanding fully from Mr. Williams, that when the Contract was completed, that we should

should have a free passage back
to Monte Video; from various rea-
sons. Mr. Williams now says, that
we have not fulfilled the Contract,
consequently, we have no claim on
him for a passage, but we all think
the reverse, and being without the
Means of paying our own passages,
and being all very anxious to return
to our Native Homes, and then being
little or no employment for us in the
Falkland Islands, we humbly hope
and trust that your Honor will in-
tercede with his Excellency, the
Governor to give us a passage back
to Monte Video.

And the Peckhones will ever pray
