Submits Manuscript of Library Catalogue for printing.

MINUTES.

H. E./

The printer informs me he has not the type to print this catalogue. Before sending it home the question of the number of copies and the class of binding will have to be considered. Mr. Halkett informs me also that the manuscript has not been checked and recommends that the matter should be put before the Library Committee.

The Hon. Col. Sec.
(Chairman Library Committee)

Question of printing of Library Catalogue was discussed at a Committee Meeting of the Library & Museum held yesterday the 21st instant. Committee decided to have 3 or more copies typed and requested me to endeavour to arrange matter. The Hon. W.A. Harding very kindly promised to provide some paper and some carbon paper, if he found that he could spare it.

2. Mr. A.J. Fleuret has agreed to make one original typewritten copy together with carbon copies of the Manuscript catalogue together with copies of the Childrens Section catalogue, at a cost of £3.

3. The ca-talogue seen by the Committee yesterday was that dealing with General Literature but I have since found that in addition there is a catalogue dealing with the Childrens Section. As stated above the cost of typing both catalogues will be £3.

M. Louisa Halkett

for the Secretary, Public Library.
April 22nd 1921.

H.E. the Governor,

Submitted for information.

2. I do not think it would be possible to have the Catalogue printed locally. The Library Committee have therefore decided to have typewritten cyclostyle copies made.

It should try later to get in / printed
