MINUTES.

H.E. the Governor,

Under the provisions of s:3 of the Library & Museum Ordinance (No.4) 1918, it would appear that the care and management of the Library & Museum were in the hands of a Committee of five persons appointed by the Governor, to hold office for a period of Three (3) Years.

2. The following appointments would appear to have been made by the Governor, for three years from the 25th March 1919:-

Hon: Colonial Secretary,

With reference to para. 2 of H. E's minute above - not that I am aware of.

2. From my experience of the Library hours and to reports made to me by Miss Felton, Library Attendant and Miss I. Dixon, Ag: Library Attendant, the present hours for opening of Library are not satisfactory. After consultation with Miss Felton and Miss Dixon, I recommend that the hours be as follows:

- Mondays.....5 to 7 p.m.
- Tuesdays.....4 to 7 p.m.
- Wednesdays.....2 to 4 p.m.
- Thursdays.....5 to 7 p.m. (at present a non-Library day)
- Fridays.....5 to 7 p.m.
- Saturdays.....2 to 5 p.m.
- Sundays Nil. (at present 2 to 4 p.m., but practically little or no call)

I consider that the above suggested hours will suit the Public far better than the hours at present in force.

Note: With reference to para 2 of Mr. Craigie-Halkett's minute of 2nd April, I understand that there/

there is a strong wish amongst the community that Reading Room (if not Library) should be open on Sunday afternoons. Miss Felton has told me that numbers of people come to the Reading Room on Sunday afternoons and she thinks it should be open then.

(intd) J. M.

Is any arrangement possible which would permit of Library being open in evenings up to say 8.30?

Chairman.
The Honble M. Craigie Halkett.
" " W.A. Harding.
The Very Revd. Dean Stanley Smith.

1. Minutes of Meeting held on January 1920, read and confirmed.
2. The Very Revd. Dean Smith asked whether it was proposed to deal with the Library Catalogue, as he understood it could not be printed locally on account of lack of type. After some discussion the Committee agreed in the first instance to have three or more copies of the catalogue typed and requested the Hony. Treas: to endeavour to arrange the matter. Agreed that a sum not exceeding £3 should be paid from Library Funds for the service.
The Hon. W.A. Harding kindly promised to assist by providing some paper, if he found he could spare it. (M.P. 522/20)
3. Funds of Library and Museum. The Hony. Treas: informed the Committee that the balance on the 19th April 1921, standing to the credit of the Library and Museum Fund was £119-4-3, and that no portion of the annual Govt. Grant of £50 had yet been received for the current year. The Hon. Treas: drew attention to the facts that a sum of £17-19-0 advanced by the Col. Govt. on account of cost of setting up certain birds was due to be repaid and that in addition there was a sum of £6 due to the Falkland Is. Com Ltd, for books purchased, and a further sum of about £9 due to the Times Book Club on account of balance of account for books purchased.
4. Library hours Moved by the Very Revd. Dean Smith and seconded by the Hon. W.A. Harding that the present hours for the opening of the Library should be amended and substituted by the following :-

Thursday

On Saturdays and Sundays... 2 to 4 p.m.
On Mondays, Tuesdays,
Wednesdays and Fridays // // // 6 to 8 p.m.

Amendment made under authority of Rule I (1) of the Rules of the public Library & Museum dated 27th May 1919, and agreed to.

5. Museum hours Committee agreed that the Museum should be opened on Saturday and Sunday from 2 to 4 p.m. and at such other times as provided by Rule II (3) and (4) of the Rules.
6. Print of Ship "Great Britain" The Chairman informed the Committee that he had been directed to hand over to the Committee a print of the ship "Great Britain" which had been presented through the Governor to the Museum by the Editor of "Sea Breezes". The Very Revd. Dean Smith proposed that the thanks of the Committee be ~~xxx~~ conveyed to the Governor for kindly sending the Print to the Committee and that at the same time H.E. be asked to convey the thanks of the Committee to the Editor of "Sea Breezes" for presenting the Print to the Museum.
Committee requested Hony. Treas: to arrange to have Print framed and put up in the Museum.

7. Chairman informed Committee that Miss Alice Felton, Museum and Library Attendant had resigned and that several applications had since been received for the post. In answer to Dean Smith the Chairman stated that the appointment of a successor to Miss Felton would be made by the Governor but was unable to say whether H.E. would first refer the matter to the Committee for their recommendations or not. THE PUBLIC LIBRARY STANLEY.

~~---~~

Hon: W.A. Harding,

Will you kindly read the attached communication and previous correspondence, and will you kindly favour me with an expression of your opinion in the matter.

2. It may be as well if I explain that when I discussed this matter, in what I thought to be a friendly manner with the Members of the Library Committee without calling a meeting, and obtained your consent and that of the Honourable M. Craigie-Halkett to the Library being open to the public from 2 to 4 p.m. on a Thursday afternoon, I had no idea that the question was one of such vital importance, or that by so doing I was suggesting that a Christian Citizen should be deprived of his right as a British Subject of "One day of rest in seven".

3. Under the circumstances I fear it will be incumbent upon me to explain this at the next meeting of the Committee, as I had no wish to take you unawares and by so doing obtain your consent to what would now appear to be a most heinous crime and an unlawful act; but rather it was my wish to try and obtain some little benefit for the community of Stanley, by providing some place where one may be able to spend a couple of quiet hours of an evening instead of possibly having to walk the streets of the town, which seems to me to be the only other alternative.

W.A. Thompson
7th May 1921

Hon W.A. Thompson,

The first sentence of the Dean's minute looks rather like a non sequitur. His objection apparently is not to the Library being open for seven days a week, but to the employment of the Librarian for the seven days. In agreeing to the opening of the Library on Thursday afternoon I was not conscious of

violating any moral law, but as the Dean asserts it so strongly I suppose that it must be so. If it is considered desirable to open the Library every day and the Dean's objection is upheld, it would be a case of providing for some person other than the Librarian to act for one day out of the seven.

May 7th, 1921.

W. Harding

Hon: M. Craigie Halkett,

I need hardly repeat to you what I have said in my minute to the Honourable W.A. Harding, but under the circumstances would you care to make any observations in connection with this matter.

W. Thompson

The Chairman, Public Library,

The Dean now proposes that the Library should be opened three afternoons a week in addition to Saturday and Sunday. I am of opinion that the matter should be dealt with at a formal Committee Meeting.

M. Craigie Halkett

7th May 1921.

The Chairman, public Library & Museum,

I understand that it is the wish of H.E. the Governor that the Library should be open for another afternoon in the week other than Saturday and Sunday. I see no objection to the Library being opened on Thursdays from 2 to 4 p.m., this will then bring the total hours to 14, as formerly. The present Postal assistant has to put in 18 hours a week for £41 p.a., whereas the Librarian only has to put in 14 hours for £50 p.a., so that the period of duty (14 hours) per week would not appear to me to be too much for the Librarian.

2. Perhaps it would be sufficient if a Minute were sent to the Members of Committee asking if they agree to the addition of Thursday afternoon 2 to 4 p.m., to the hours already agreed upon.

M. Craigie Halkett
May 4th 1921.

Hon: M.C. Halkett,

I have seen and spoken to the Hon: W.A. Harding and the Very Revd: Dean Smith with regard to this. The former has agreed to the addition of Thursday afternoon from 2 to 4 p.m., being added to the hours, and under the circumstances I think it may be taken as having passed the Committee without calling another meeting. The Dean although objecting to this, has told me that he will have to give way to the general wish of the Committee.

A. C. S.
A. C. S. 5/5/21.

The Very Revd.
Dean Smith

You informed me this morning that you wished to make some remarks concerning the proposal to open the Library on Thursday afternoons.

M. Craigie Halkett
6. 5. 21

The Chairman, Public Library & Museum.

I strongly object to the Library being open at all on Thursday because this would mean employing the Librarian seven days in the week. Such action would violate all law religious, scientific & moral. I suggest that the Library be open 2-4 p.m. on Monday, Tuesday, Wednesday or Friday. I shall be glad if you will inform H.E. the Governor of my protest against the proposal to open the library on Thursday.

H. S. M.
Stanley Smith

(6)

THE PUBLIC LIBRARY & MUSEUM.

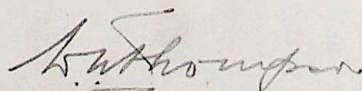

H.E. the Governor,

The attached correspondence is submitted to Your Excellency in accordance with the request of the Very Revd: Dean Stanley Smith.

2. I am unable to understand the Dean's contention any more than I can understand his present request for Your Excellency to be troubled with this matter, seeing that at the last Committee Meeting when as Chairman I asked to be furnished with a copy of ^{the} minutes to submit for Your Excellency's information, ~~when~~ the Dean objected, stating that the Library & Museum was under the care and management of the Committee and in consequence the Governor had nothing whatever to do with the matter. I informed the members that I was not able to agree with the Dean.

3. It seems to me that the Dean has apparently overlooked the fact that even ~~th~~ with the Library open on a Thursday, the total hours for attendance required from the Librarian will only amount to 14, and not 48 hours in one week, and under the circumstances I fail to see how it can be held that "such action would violate all law".

4. I should have been able to understand, had the Dean objected to the Library being open on a Sunday, or to the Librarian or anyone else having to work on the Sabbath (the day of religious rest), but so far as I am able to gather, this would not appear to be his contention, seeing that he does not apparently object to the officials in the Post Office, Harbour, Medical and the Customs departments having to work on the arrival in port of a Mail Steamer on a Sunday; ~~or~~ otherwise I venture to think he would not give this action his moral support by being so prompt in his attendance, waiting for his mail to be delivered by the Post Office.

A. C. S. 7/5/21.

N.B: ~~a~~ Mr. Harding suggests that should Your Excellency uphold the Dean's objection that two persons should perform the duties of Librarian. I venture to think that in view of the salary paid and the number of hours required, that the applicants for the ^{post} will not have any conscientious objections to Thursday.

PUBLIC LIBRARY & MUSEUM.

Committee Meeting held on Friday the 27th May 1921.

3 p.m.

Present, The Hon. W. A. Thompson, Ag. Col. Secretary, Chairman.
The Hon. M. Craigie Halkett, Hon. Treasurer.
The Hon. W. A. Harding, M. E. C.
The Very Revd. Dean Smith, M. A.

1. Minutes of previous Meeting read and confirmed.
2. The Hon. Treas. informed the Committee that six copies of the Catalogue dealing with the Childrens Section had been completed, but that owing to shortage of cyclostyle stencil paper only a portion of the General Catalogue had been done. The Hon. W. A. Harding kindly promised to see if he could supply sufficient stencil paper to permit of the catalogue being completed.
3. The Hon. Treas. stated that in accordance with the directions of the Committee the print of the ship "Great Britain" presented by the Editor of "Sea Breezes" had been duly framed and placed in the Museum. The Committee agreed to inspect the picture at the close of the Meeting.
4. Offer of Mr. A. G. Bennett to sell certain bird skins considered. Committee agreed to let matter stand over until something had been heard of previous skins purchased and sent to England to be set up.
5. Hon. Treas. produced a Bill from the Falkland Is. Co., Ltd for the sum of £5-17--0 on account of cost of 52 Novels purchased by the Library. Committee authorised payment of the amount in question.
6. Library hours. The Chairman stated that he had called the Meeting to consider the Library hours and proceeded to read certain correspondence which had taken place between Members of the Committee concerning the suggestion that the Librray should be open every day in the week. (Copy of correspondence attached hereto). After some discussion the Hon. Treas. moved that the hours for opening of Library should be as follows:-

Saturday, Sunday and ~~wednesday~~ from 2 to 4 p.m.
Monday, Tuesday and Friday " 6 to 8 p.m.
Wednesday. *from 2 to 4 and* " 6 to 8 p.m.

Notice embodying hours as amended read by the Chairman and agreed to.
