REGULATIONS FOR MAINTAINING DISCIPLINE.

SANCTIONED BY THE BOARD OF TRADE IN PURSUANCE OF S. 114 (2) OF THE MERCHANT SHIPPING ACT, 1894.

These Regulations are distinct from, and in addition to, those contained in the Act, and are sanctioned but not universally required by Law. All or any of them may be adopted by agreement between a Master and his Crew, and thereupon the offences specified in such of them as are so adopted will be legally punishable by the appropriate Fines or Punishments. These Regulations, however, are not to apply to Certificated Officers.

These Regulations are all numbered, and the numbers of such of them as are adopted must be inserted in the space left for that purpose in the Agreement, page 1, and the following copy of these Regulations must be made to correspond with the Agreement by erasing such of the Regulations as are not adopted. The signature or initials of the Superintendent or Consular Officer before whom the Agreement is made, must be placed opposite such of the Regulations as are adopted.

For the purpose of legally enforcing any of the following penalties, the same steps must be adopted as in the case of other Offences punishable under the Act; that is to say, a statement of the Offence must, immediately after its commission, be entered in the Official Log Book by the direction of the Master, and must at the same time be attested to be

true by the signatures of the Master and the Mate, or one of the Crew; and a copy of such entry must be furnished, or the same must be read over to the Offender, before the ship reaches any Port or departs from the Port at which she is; and an entry that the same has been so furnished or read over, and of the reply, if any, of the Offender, must be made and signed in the same manner as the entry of the Offence. These entries must, upon discharge of the Offender, be shewn to the Superintendent or Consular Officer, before whom the offender is discharged; and if he is satisfied that the Offence is proved, and that the entries have been properly made, the Fine must be deducted from the Offender's wages, and paid over to the Officer.

If, in consequence of subsequent Good Conduct, the Master thinks fit to remit or reduce any Fine upon any Member of his Crew which has been entered in the Official Log, and signifies the same to the Officer, the fine shall be remitted or reduced accordingly, an entry being made of the fact in the Official Log. If wages are contracted for by the Voyage, or by Share, the amount of the Fines is to be ascertained in the manner in which the Amount of Forfeiture is ascertained in similar cases under Sect. 234.

INSTRUCTIONS TO MASTERS.

Agreements.

1. The Merchant Shipping Act requires the Master of every Ship, *except Ships of less than eighty tons exclusively employed in the coasting trade*, to enter into an Agreement with every Seaman whom he carries to sea as one of his Crew. The term "Seaman" includes every person, except Masters, Pilots and Apprentices (duly indentured and Registered), employed or engaged in any capacity on board any Ship.

2. In order to enable the Seamen to know the contents of the Agreement, the Master, at the commencement of the voyage, is bound, under a penalty of 5*l.*, to have a legible copy (omitting the signatures) placed in an accessible part of the Ship.

3. All alterations in any Agreement (except additions in shipping substitutes) are inoperative unless proved to have been made with the consent of all persons interested, by the written attestation of a Superintendent, Justice, Officer of Customs, or other public functionary, or Consular Officer, or where there is no such Officer, of two respectable British Merchants.

4. Fraudulently altering, or making any false entry in, or delivering a false copy of any Agreement, or being a party to such an act, may be punished by the infliction of a Penalty not exceeding 100*l.*, or by imprisonment with or without hard labour for any period not exceeding six months.

Engagement of Crews and Seamen in the United Kingdom.

5. The Crews of all British foreign-going Ships must be engaged (in the United Kingdom) in the presence of a Superintendent of Mercantile Marine, who will read over and explain the Agreement to Seamen before they are allowed to sign it.

6. Whenever a Master of a Ship is desirous of making use of the Mercantile Marine Office for the purpose of *selecting* his Crew, he must inform the Superintendent so that a notice may be published for the information of those men who are seeking employment.

7. In all cases the Superintendent should have at least six hours' notice of the time at which the Master and Crew are to attend to sign the Agreement. Before the engagement of the Crew is proceeded with, the Master must—

- (a) Produce the Certificates for himself, his Mates, and his Engineers (if any), and
- (b) Produce the Apprentices destined for the voyage, together with their indentures.

8. Upon the Master complying with the above Regulations, the Superintendent will, when the engagement of the Crew has been completed, give him a certificate for clearance outwards.

9. Superintendents will give the like Certificates to Masters of Ships who have entered into running Agreements with their Crews, upon their complying with sub-section 115 (7) M.S.A. 1894, and producing at the Mercantile Marine Office the Certificate of any Mate or Engineer engaged during or subsequent to the last voyage.

10. The engagement of substitutes for Seamen, who have died or left the Ship within twenty-four hours of her putting to sea, is to be made before a Superintendent, if practicable, but if not the Master as soon as possible is to have the Agreement read over and explained to the substitutes in the presence of a witness, who is to attest their signatures.

11. Carrying any Seamen to sea without entering into an Agreement subjects the Master of a foreign-going Ship to a Penalty of 5*l.*

12. The Master of a foreign-going Ship incurs a Penalty of 5*l.*, if he does not report to the nearest Mercantile Marine Office any changes in his Crew before he finally leaves the United Kingdom.

Ports Abroad.

13. Upon the Arrival of the Ship at a Port where there is a British Consular Officer, or a Superintendent, the Master is bound under a *Penalty of Twenty Pounds* to deliver within forty-eight hours of the Ship's arrival (if the ship remains forty-eight hours at the Port, and is not a Passenger Ship) to the Consular Officer, or the Superintendent, the Agreement, and all Indentures and Assignments of Apprenticeships. The Officer will keep them during the Ship's stay at the Port, and will, within a reasonable time before the Ship's departure, return them to the Master with a Certificate stating when they were delivered and returned.

14. If the Ship remains at any port for a period less than 48 hours, and the Consular Officer, or the Superintendent is required to issue a certificate for production to the Local Authorities before the Ship's departure from that port, the Ship's Articles should be inspected before the Certificate is issued, and the fee of 5*s.* (as provided in Clause 7 relating to the Fees chargeable by Consuls), for the performance of a specific duty on the Ship's behalf, should be charged. The fee stamp is to be affixed to the Agreement with the crew in the part reserved for endorsements.

15. The engagement or discharge of any Seamen abroad must be made before a British Consul, or before a Superintendent, as the case may be, who will endorse upon the Agreement a Certificate accordingly. If this Certificate be not made the Master of the Ship is liable to a Penalty. (See also paras. 20, 21 and 22 below.)

Return to the United Kingdom.

16. The Crew of every British foreign-going Ship discharged in the United Kingdom must be discharged and receive their wages in the presence of a Superintendent of a Mercantile Marine Office. An infringement of this law renders the Master or Owner liable to a Penalty of 10*l.*

17. In all cases in which Crews are to be discharged at the Mercantile Marine Office, at least twenty-four hours' notice should be given to the Superintendent by the Master or Owner.

In the column for particulars of discharge, the date, etc., of termination of service should be entered and if the wages continue to accrue under the Agreement until some later time, the date when they cease should also be stated. It is not necessary to enter the date, &c., of the payment of wages.

18. Within forty-eight hours after the ship's arrival at her final port of destination in the United Kingdom, or upon the discharge of the Crew, whichever first happens, the Master is to deliver to the Superintendent of the Mercantile Marine Office the Agreement, and Official Log Book, and accounts of the wages and effects of any Seaman or Apprentice who has died on board during the voyage, whether he formed part of the Crew or not, any effects remaining unsold, and the balance of wages or other moneys belonging to any such Seaman or Apprentice. When the effects of a deceased Seaman have been sold on board a vessel, the proceeds of such sale must in every case be handed over to the Superintendent, without deduction, unless such proceeds have already been paid by the Master to a Consul or Superintendent abroad on behalf of the Board of Trade. The Master is also to deliver to the Superintendent the Certificates (Masters', Mates', Engineers', or Naval Reserve) of any who have died or deserted during the voyage. The Superintendent will then give a Certificate for the purpose of clearance inwards.

19. The Master is to give to every Seaman (or leave with the Superintendent on his behalf) an account, on a form sanctioned by the Board of Trade, of his wages, and of all deductions to be made therefrom, at least twenty-four hours before the time of payment or discharge, under a penalty of 5*l.* for non-compliance. Deductions for fines, forfeitures, &c., which are sought to be made in this account must be proved by proper entries made in the Official Log Book.

20. Upon paying off or discharging any seaman, the Master is bound under a Penalty of 10*l.* to give the Seaman a Certificate of Discharge; and the Master is also bound under a penalty of 20*l.* to return to any certificated Mate or Engineer upon his discharge his Certificate of Competency or Service.

21. A statement of the conduct, character and qualifications of each Member of the Crew; or a statement that he declines to give an opinion on such particulars, is to be entered and signed by the Master in the Official Log Book as required by the Act.

22. Upon payment of wages and settlement of disputes (if any) being effected the Officer before whom the men are discharged will require the Crew to sign in his presence a release from all claims in respect of the voyage just finished, subject to the right of any member of the crew to except from the release signed by him any specified claim or demand, in accordance with the provisions of Section 60 of the Merchant Shipping Act, 1906. (See page 5 cols. 19 and 20.)
