Sir,

I beg to put on record my appreciation of the Colonial Government's offer of the assistance of the "Penguin" on the occasion of the grounding of the Aux. Sch."Gwendolin" on Arrow Point on the 31st ultimo and to express my thanks for the services actually performed by the vessel, which were of great help to us.

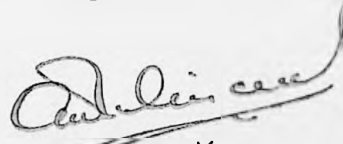

2. I am glad that it was unnecessary to put the Government to the trouble of having to send the launch to Port William to assist in re-floating the "Gwendolin", though had this vessel not been got off in the night, I would gladly have availed myself of the "Penguin's" services.

3. If at any time we are in a position to render a similar service to the Government, I shall gladly do so.

I am,

Sir,

Your obedient servant.

for Manager.

The Honourable,
The Colonial Secretary.
Stanley.
