By section 2 s.s. 64 of the Wrecks Ordinance  
1899 it is lawful for the Governor to  
appoint an enquiring ~~into~~ whenever a shipwreck  
occurs in any part of the world to a  
ship registered in the Colony  
Should not the Board of Trade be asked to  
make an enquiry into the loss of the ~~hoko~~?

TTTTT "July 24

H.C.S.

On reconsideration I did not press for enquiry.

Secy + Board of Trade have information which  
we have not got regarding place + circumstances  
of casualty; <sup>ask</sup> whether there was loss of life +  
whether evidence is obtainable in the Chinese Kingdom
