Previous Paper.

Manager. I. Is Co requests permission to cut Admiralty cable at a point in the vicinity of Oil Berth.

MINUTES.

①

Letter from Manager. I. Is Co 7/4/34.

M. Submitted. It is not clear to whom the cable belongs and it seems doubtful whether we can authorise the H. Co. to cut it. Recently the cable ship "Norseman" came here and cut the cable outside Port William. The officer-in-charge informed me that the cable had been purchased by his Company - International Communications Ltd.

It would seem that the H. Co. should seek permission from the owners.

Hon. C. S.

1. I think it is quite safe  
for us to reply that there is no objection  
on the part of this Govt.

2. The owners, presumably L. & L. C. Ltd.,  
do not show a great interest in their  
property and it is important that the  
Admiralty oiling depot should be clear of  
obstruction.

TELEGRAMS: FLEETWING PORT STANLEY VIA RADIO

2nd April, 1934.

Sir,

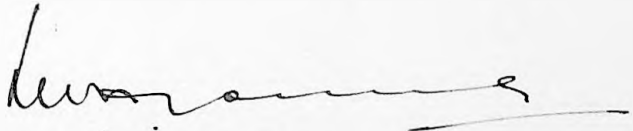

I have the honour to inform you that the disused overseas cable which lays on the North side of the harbour is frequently fouled by the anchor of O.C.82 while she is at the oil berth.

I therefore request permission to cut the cable when an opportunity next occurs.

I am,

Sir,

Your obedient servant,

Manager.

The Honourable,

The Colonial Secretary,

Stanley.
