Sir,

I would be greatly obliged if you would favor me with details of the loss of the two American vessels "City of Philadelphia" in May 1896, and the "John R Kelly" in May 1899.

The information is required partly for my own enlightenment, but mainly for a friend in U.S.A who is engaged in writing a history of the port of Bath, Me. , the port of registry of both these vessels.

I remain, Sir,

Yours faithfully,

Carl V. Lellman
