Hon; Col Sec,

There has been practically no use for  
this jetty for some considerable time, and it has  
been left open chiefly for the convenience of local  
fishermen, &c.

2. So far ~~as~~ this as this Dept is concerned there  
is no objection to Mr Steele keeping a boat there, but  
it should be understood that if any strengthening is  
necessary for the erection of a pair of davits, this  
should be done by Mr Steele at his expense.
