MINUTES.

Minute from Harbour Master, 17th October, 1921.....Encl..(1)

Hon. Treasurer

The Governor has signed a Special Warrant including £265 for transport etc. of materials for this light. If you will accept the Hon. Treasurer's signature as vouchers up to this amount instead of the C.R.'s the Imprest Warrant will not be necessary but vouchers will go through in the ordinary way. This will be your authority,

2. In the usual course the C.R. would have transferred the amount on a F.R. under C.R. 207 but no provision having been made in the minutes the S.W. has taken the place of a G.W. and it is I suggest only a question of who is to control the expenditure. An Imprest only causes unnecessary trouble.
