Dear Mr. Denton-Thompson,

Regarding the shipment of  
live Mutton Wethers to the Whalers.

It is unfortunate that I have  
already disposed of four hundred and  
sixty five fat wethers since shearing  
commenced. And still have our Mutton  
Quota for Stanley to consider.

I cannot supply two hundred  
and fifty wethers. But I could let  
them have, one hundred and fifty  
fat wethers and fifty fat ewes to  
make up to two hundred all told. We  
could also supply beef if they would  
take it. I do not wish to lose  
the chance of dealing with the Whalers  
if I can help it.

Thanking you for letting me  
know and for all your help in the  
past. I would be very grateful if  
you will find out if they will  
accept the alternative we have to  
offer.

Yours Truly  
Siana Pitangua.
