H.S. / G.N. C.91/16 to withdraw  
 I note that the S/S's direct despatch  
 to the Magistrate 5<sup>th</sup> Georgia does not ap-  
 pear to be marked "confidential" and I  
 think it would be very advantageous if  
 we could get the question - in as far as  
 it is not confidential - on to an open  
 paper. It ~~is~~ is very difficult to see ex-  
 actly how we stand at present with  
 regard to our licences in general &  
 those of Messrs. Salvesen in particular.
