Despatched : 23rd March, 19 54 Time 1545

Received : ..... 19 .. Time : ....

CONFIDENTIAL. No 62. Grateful your views and recommendations on the question of lack of religious instruction South Georgia together with reference to any earlier correspondence or discussions on subject.

2. My impression is that there is need and desire among appreciable section of community though probably managements indifferent particularly during season.

3. Most suitable candidate would appear to be bi-lingual Anglican or Lutheran with Seamens' Mission experience who might come out experimentally during winter. First essential would be managements co-operation and preferable if they took the initiative but will await your reply before discussing detailed plans.

CONFIDENTIAL. No 111. Your telegram No 62 Confidential.  
After discussions with all Managers we have formed opinion that most suitable candidate would be a representative Norwegian Seamen's Mission. Mr. Olsen Manager Husvik has provisionally agreed to co-operate in this matter and would arrange transport and accommodation. He said he would discuss it with his Company on his return to Norway this month.
