In M.P. 887/19ⁿ is enclosed a plan of the Magistrate's house.

There appear to be 4 bedrooms, 1 for Mr Binnie, 1 for Mr Barlas, 1 for Mr Simon & 1 for the Police Constable. The Steward appeared to be occupying the P.C.'s room when the plan was drawn.

Mr Simon is usually quartered at Stromness Harbour so his room would be almost

Almost always vacant, so I suppose Mr Binnie
would put Mrs Lellman there if she went

The Magistrate's Office,

South Georgia,

21st October 1919.

Sir,

I have written by this mail and asked my sister Mrs Lellman at Stanley to come to South Georgia for a change for a couple of months in the summer, should there of course be an opportunity direct from Stanley.

I would like during her stay that, she could live with me at the Quarters, and for this I beg the sanction of His Excellency the Governor. The new rooms will be completed in January, which will make a great difference to the comfort of the quarters. It will in no way interfere with the Officers quarters.

It is possible for me to arrange accommodation on the station but I would rather not place myself under any obligation to the whaling company, I therefore ask for His Excellency's sanction, and would be extremely obliged if it could be communicated to my sister in Stanley.

I have the honour to be,

Sir,

Your obedient servant,

The Honourable,

The Colonial Secretary,
