The large number of notes like these without the words "Commonwealth" which is written in red ink, and marked "War" ;— These were destroyed by Governor Allardyce in October and November, 1914, whilst the Germans Squadron under Admiral Von Spee was supposed to be going to make a raid on the Falkland Islands. After the destruction of Von Spee's Squadron, on the 8th December, 1914, by the British, under Admiral Sturdee, new notes began to be issued to replace those destroyed. All were replaced by March 1915.
